APRIL 2020

NISAN - LYYAR 5780

## ***“Israel, Palestine and the Middle East”***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

## ***“Israel, the Church and End-Time Prophecy”***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

## ***“Messiah and the Passover Seder” (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

## ***“Gentiles Commission to the Jews”***

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

***“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”***

*Romans 15:27*

## **YOM HA' ATZMA'UT (ISRAEL'S INDEPENDENCE DAY)**

Israel's Independence Day starts at sunset of Tue. the 28th of April, this year, or on the Jewish calendar 4th of Lyyar 5780. As Jewish People celebrate their independence, they will remain on high alert, as Islamic terrorists are always looking for an opening so they can attack them. This is an ever present danger.

### ***The important thing is what God has to say on the restoration of Israel:***

In ***Ezekiel 37:10-14***, the Prophet Ezekiel received a vision in which Israel was seen as a scattering of dried-up bones, with no life. In this vision, God tells Ezekiel that the bones (Israel) would be brought back to life. Just as Ezekiel prophesied so long ago, millions of Jews are home, once again, in Israel. It is God, Himself, who has brought them back to Israel and filled them with life.

In ***Isaiah 66:7-8***, Israel was established as a sovereign nation and reaffirmed during the course of a single day. Israel's Declaration of Independence was not the result of a war, but rather the cause of one. Hours after Israel declared independence in 1948, the surrounding Arab Countries attacked them, hoping to replace the Jewish state with an Arab state. These countries were much larger than Israel. But, tiny Israel prevailed in that war and two other wars, brought on them by Arab Countries. Truly, God is with Israel!

In ***Ezekiel 37:21-22***, the Prophet Ezekiel said, that God would one day bring the people of Israel back to Israel, as a "united" nation. This could have been shocking for the Prophet Ezekiel, as he lived about 2600 years ago. At that time, the people of Israel had already divided themselves into two separate kingdoms, the Northern Kingdom and the Southern Kingdom. Both kingdoms had been conquered by foreign invaders, who forced many of the people, including Ezekiel, into exile. But, when the Jews reclaimed sovereignty in 1948, they did so as a united people, creating one nation - Israel.

In ***Jeremiah 31:10***, the Prophet Jeremiah said, that God would one day gather the Jews back to Israel and that He would watch over them like a shepherd watches over his flock. Without a doubt, God is watching over both His People and the re-established nation of Israel.

In ***Deuteronomy 30:3-5***, the Bible said the Jews would be scattered worldwide and that they later would return to their homeland and have their fortunes restored. This prophecy began to be fulfilled in modern times during the late 1800's. At that time, many Jews returned to Israel from all over the world. Today Israel is among the world's most prosperous countries.

***We need your prayers and financial support today! Rabbi Robert I. Solomon***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates** → **Iran Says Coronavirus is Israel Fault;** The latest conspiracy theory in Iran is

that Israel - likely in cahoots with the USA - is behind the coronavirus that has spread rapidly in the Islamic Republic. Iran's regime requires a foreign enemy to distract its citizens from its failure to confront the virus last month. Iran's ministry of health reported more than 9,000 coronavirus cases and over 350 deaths. But observers believe the true number may be far higher. Over the last several days, Iran has pushed several reports claiming that "Zionists" were behind the coronavirus. Press TV claimed that "Zionist elements developed a deadlier strain of coronavirus against Iran." The agenda of Tehran has been three-fold since the coronavirus outbreak began to affect Iran in mid-February 2020. Iran initially denied that there was a virus outbreak. In late Feb. 2020 it turned out that some of Iran's leading politicians and key insiders were infected because the virus had spread from the holy city of Qom to Tehran.

To make up for the initial cover-up, the regime shifted its narrative to blaming Israel and the USA for the virus outbreak. An article on the homepage of Iran's Press TV claimed that the USA is waging "biological warfare" and also cited an article that argues Israel is behind the virus. According to this report, a "former CIA officer" has argued that "the USA and Israel are working together." Iran sent Rear Admiral Ali Shamkhani, secretary of the Supreme National Security Council, to Iraq last weekend. Despite the travel ban on Iranians going to Iraq and the high rate of coronavirus among leading regime members like Shamkhani, he shook hands with Iraqi politicians and was not quarantined in Iraq. He claimed in a press conference in Iraq that "Zionists are against regional security." Iran's regime only knows this talking point: Blame it on the USA and Israel.

**Rashida Tlaib T-shirt Erases Israel from the Map;** Tlaib took photos to promote activist Linda Sarsour's new book, "We Are Not Here To Be Bystanders", but many were more interested in the logo on her shirt, which showed the whole of Israel as Palestine enrobed with a black and white chequered keffiyeh, a symbol of Palestinian nationalism. Alex VanNess, director of Middle East Peace and Security Policy, caustically noted on Twitter: "Congresswoman Rashida Tlaib's T-shirt doesn't exactly scream 'two-state solution.'" In Dec. 2019, Tlaib blamed PM Netanyahu and the Likud Party for the lack of a two-state solution, saying they "actively fought against a two-state solution and took steps to ensure its demise." Israel advocate and writer Hen Mazzig, meanwhile, questioned the statement on the shirt in light of both Tlaib and Sarsour's links to Democratic presidential hopeful Bernie Sanders. Sanders has made much of his Jewish heritage during his campaign to win the nomination, yet has called Netanyahu "racist," and has repeatedly criticized the Jewish state. Both Tlaib and Sarsour have supported Sanders on the campaign trail.
