## ***“Israel, Palestine and the Middle East”***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

## ***“Israel, the Church and End-Time Prophecy”***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

## ***“Messiah and the Passover Seder” (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

## ***“Gentiles Commission to the Jews”***

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

***“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”***

***Romans 15:27***

## ***Ninth Of Av Events Throughout History (August 9, 2019)***

Tisha B'Av is the ninth day of the Jewish month of Av. It starts at sundown on the eight day and concludes at sundown on the ninth day of Av. Without a doubt, it is the saddest day on the Jewish calendar. There have been many astounding tragedies that have occurred on this day throughout Jewish History. Most of us are aware of the fact that both Holy Temples in Jerusalem were destroyed on the ninth of Av. The first Temple was destroyed by the Babylonians in 421 B.C. 100,000 Jews were slaughtered and millions more exiled. The second Temple was destroyed by the Romans in 70 A.D. Two million Jews died, and another one million were exiled. The Jewish People mourned greatly when their Holy Temples were destroyed. They yearn for their third Holy Temple to be built in Jerusalem.

In 132 AD, Betar, the last fortress to hold out against the Romans during the Bar Kochba revolt fell, Over 100,000 Jews were slaughtered. In 1095 AD, 10,000 Jews were killed in the first month of the Crusade. In 1290 AD, King Edward I expelled all the Jews from England. In 1492 AD, under Spain's King Ferdinand all the Jews were expelled from Spain. If they refused to go, they were killed.

In 1555 AD, a horrible ghetto was established for the Jewish People in Rome. Then, Pope Paul IV moved all the Jews into a area near the Tiber River. The conditions were deplorable. Ghettos were created to keep the Jewish People away from other people. In 1571 AD, Florence, Italy established another disgusting ghetto for Jewish People. In 1648 AD, 3,000 Jews perished in Konstantynow in what were known as the Chmielnicki massacres. In 1670 AD, the last group of Jews was forced to leave Austria.

All of these events took place on the ninth of Av. Coincidence? With God there is no such thing as coincidence. But, one thing is for sure. Multitudes of people take a deep sigh of relief when the ninth of Av is over. You might say, the ninth of Av has become a “weak link” in the chain of Jewish history. But, it will not stop God's Plan for His Chosen People.

Now, that millions of Jewish People are back in Israel, it seems the world doesn't want them there, either. But, they are home and have nowhere else to go. The Jewish sages of long ago taught that whoever mourns over Jerusalem will merit the future vision of her joy. It is written in ***Isaiah 66:10, “Be joyful with Jerusalem and rejoice for her all you who love her...”***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates**

**NETANYAHU RESPONDS TO TEHRAN'S THREATS:** Tehran should remember that Israel's air force can strike anywhere in the Middle East, including Iran and Syria, PM Benjamin Netanyahu said after visiting an F-35 squadron at the Nevatim Air Force base. "Iran has threatened recently to destroy Israel," Netanyahu said in a video clip he posted standing in front of an F-35 "Adir" plane. "It is worthwhile for them to remember that these planes can reach everywhere in the Middle East, including Iran and Syria. Last week a senior Iranian parliamentarian, Mojtaba Zolnour, who is chairman of the Iranian parliament's National Security and Foreign Policy Committee, said that "if the USA attack us, only half an hour will remain of Israel's lifespan." Iran and Israel's comments come against the backdrop of increased tension between Iran and the USA, and as the Islamic Republic has openly declared that it is violating the 2015 nuclear agreement.

**ISRAELI COURT ORDERS PALESTINIAN AUTHORITY TO PAY COMPENSATION FOR TERRORIST ATTACKS:** The shameful Palestinian Authority policy of paying stipends to families of terrorists who died while carrying out acts of violence against Israelis has proven to be more expensive than they previously realized. Formally, the PA was named as the responsible party when its own agents carried out the assaults. But the Jerusalem District Court has now ruled that cases dating back to the year 2000 are the responsibility of the PA because of its embrace of those who perpetrated the attacks. The 17 cases could cost the PA some \$280 million. In previous court appearances, the PA has argued that if it is forced to pay the full amount it will cause its financial collapse.

**LEADING JEWISH GROUP SLAMS ANTI-ISRAEL ACTIVIST LINDA SARSOUR FOR CLAIMING JESUS [YESHUA] WAS A PALESTINIAN:** A leading Jewish group blasted anti-Israel activist Linda Sarsour this week after she falsely claimed that Jesus [Yeshua] was a Palestinian. Responding to a post about whether Yeshua and Moses were "Middle Eastern," Sarsour tweeted, "Jesus was a Palestinian of Nazareth and is described in the Quran as being brown copper skinned with wooly hair." The area that is now Israel and Judea & Samaria was referred to as the province of Judea at the time of Yeshua's birth and was universally seen as the Jewish homeland. According to the Gospels, Yeshua was a practicing Jew until his death. Any Quranic description of him would have been written six centuries after he died. In response to Sarsour's claim, the American Jewish Committee tweeted, "Mentions of Judea in the New Testament: 48. Mentions of Palestine in the New Testament: 0. Which makes sense," said the group, "because the name 'Palestine' was only applied to the region by the Romans in 135 AD. Try cracking a history book, Linda. It'll blow your mind," the group said.
