GOD KNOWS WHAT IS GOING ON BEHIND CLOSED DOORS

“Israel, Palestine and the Middle East”

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

“Israel, the Church and End-Time Prophecy”

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

“Messiah and the Passover Seder” (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

“Gentiles Commission to the Jews”

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”

Romans 15:27

As most of you know, we are living in very troublesome times, a time when evil is spoken of as good, and good is spoken of as evil. The President of America is making a very dangerous nuclear "deal" with Iran. In turn, Iran constantly threatens to destroy Israel. If you listen closely enough on television, you could hear many people in Iran, as they shout with much anger and hatred, "Death to America!" It seems the current administration in America fails to heed these threats and still wants the poisonous deal. The Ayatollah Ali Khamenei makes it clear what his intentions are. No one in their right mind should be making any kind of deals with him, or his radical Islamic regime.

An Iranian newspaper, affiliated with the Ayatollah, also threatens Iran will nuke the White House within a period of ten minutes if there is any attack on Iran's nuclear facilities. In the newspaper, it was further said, that the United States is on its deathbed. He doesn't believe the United States or Israel will do anything to stop Iran's nuclear program. He believes we are powerless to do so, that we are mired in quicksand. What a shame he doesn't know the God of Israel would move heaven and earth to help His People, Israel. God made a covenant with Abraham, Isaac and Jacob thousands of years ago. God does not lie. He will keep and honor His Covenants, though man may not.

Iran is the largest state supporter of terrorism in the world. Any deals they make with America and other countries means absolutely nothing to Iran. In Islam, it is permitted to lie to people who believe in other religions, non-Islamic. Already, it is being said by proponents of Islam that this deal will go against the Koran. If this is the case, this deal will come to an end rather quickly. At least, as far, as Iran is concerned. They will continue to work on their nuclear facilities, day and night. When they have a bomb or two, they won't hesitate to use them. The question is, who will get the nukes, first? For America to think they will be protected from them, via the deal with Iran, this might not be the case at all. We must keep in mind who Iran sees as their biggest enemy, or big hasatan. There is no doubt about it, the big hasatan, America (in Iran's eyes) must crumble before Iran can get the little hasatan, Israel (in Iran's eyes). Only God knows what is being said behind closed doors. Is Israel being offered up as a "sacrifice?" Is this why the present Administration has been going against Israel, left and right? The truth is, the State Department goes against Israel a lot, just like the UN does.

The head of Israel's Foreign Ministry, Dore Gold, warned on Friday that a deal between Iran and world powers will only increase Iran's global sponsorship of terror across the Middle East. I add this, most likely, it will spread like wildfire throughout many countries, while our leaders sit and twiddle their thumbs, and do absolutely nothing. The fact they do nothing makes me wonder where their loyalties really lay. Millions of people are wondering the very same thing...

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

IRAN AGREEMENT REACHED: NETANYAHU SAYS DEAL 'A BAD MISTAKE OF HISTORIC PROPORTIONS'

A Western diplomat has said a formal nuclear deal has been reached with Iran. The statement came on the heels of similar confirmations by Iranian diplomats. The Iranian state news agency has reported that under the current deal; all Iranian nuclear facilities will remain up and running and research on key centrifuges will continue. Under the Iran deal the UN weapons embargo will continue for five years, missile sanctions will stay in place for eight years. According to the released Russian text, Iran and the major powers agreed to a mechanism under which IAEA could get access to suspect nuclear sites within 24 days. As has been pointed out recently by diplomatic sources, a lot can disappear in 24 days. PM Benjamin Netanyahu described the agreement reached by Iran and major world powers on Tehran's nuclear program as a historic mistake and said he would do what he could to block Iran's nuclear ambitions. "Iran is going to receive a sure path to nuclear weapons. Many of the restrictions that were supposed to prevent it from getting there will be lifted," Netanyahu said at the start of a meeting with Dutch Foreign Minister Bert Koenders in Jerusalem. "Iran will get a jackpot, a cash bonanza of hundreds of billions of dollars, which will enable it to continue to pursue its aggression and terror in the region and in the world.

KERRY ADMITS HE 'CAN'T VOUCH FOR' IRAN'S COMPLIANCE WITH DEAL: Speaking at a press conference following the signing of a nuclear deal with Iran Tuesday 14 July, 2015, USA Secretary of State John Kerry admitted that despite reaching a deal plenty of challenges still lie ahead. "It's the implementation that will matter. I'm not going to stand here and tell you that everything is going to work without a bump, without hitch in the road, without misunderstanding," he told reporters. Kerry further admitted that he "can't vouch for" the fact that Iran will comply, and not simply reap the benefits of the deal while continuing to deceive inspectors as it has done in the past. Meanwhile, President Barack Obama's fellow Democrats are expressing skepticism about the Iranian nuclear deal. Many Republicans, as expected, are vehemently opposed to the agreement. After receiving a copy of the agreement, lawmakers will have 60 days to review it, vote yes or no - or take no action. Obama says he'll veto any legislation that prevents the implementation of the deal.

JERUSALEM RANKED AS ONE OF WORLD'S BEST CITIES: The famous travel magazine, Travel and Leisure, released a new list in their most recent issue that showcases the top-10 cities in the entire world. As a unique and diverse city that possesses a variety of social and cultural features, Jerusalem has ranked as number 10 on the list.
