"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

God's Doesn't Change His Mind

All the promises God made to Israel remain in effect to this very day. They always will, as God will never break His eternal promises to His Chosen People. For over two thousand years, there are those who have taught (and still do) against these promises to Israel. This erroneous teaching is known as, "Replacement Theology." This teaching seeks to eradicate all the promises God made to Israel. Instead, they teach the promises now belong to them, and not Israel. Nowhere, in the Scriptures can we find such a doctrine. That is because it is a man-made doctrine.

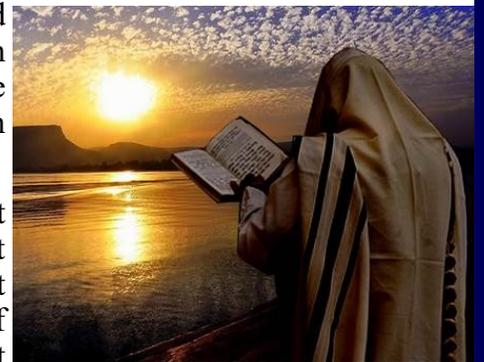

Augustine famously formulated the position known as "Witness Theology." According to Augustine, as punishment for their rejection of Jesus and for their responsibility in killing him, the Jews were exiled from their land and would continue to live as a sorrowful, persecuted, and powerless people until the end of time. By enduring this pathetic existence, the Jewish people would bear witness for the world regarding the consequences of rejecting Jesus. With regard to the promises made to Israel in the Bible, Augustine said that they no longer apply to the Jews, but to the Church. What is Augustine's version of Replacement Theology. One, that has caused much damage, especially, to the Jewish People. The truth is, God has not rejected the Jewish People. Nothing could be further from the truth. They are still the apple of His eye.

It may come as a surprise to many, but Adolf Hitler was a big fan of "Replacement Theology." He used this hideous concept from hell, in order to justify his slaughter of six million Jewish People in Europe. Without

a doubt in my mind, "Replacement Theology" is an extremely dangerous lie in the highest degree! Unfortunately, it is raising its ugly head once, again. Many voices are calling out for the destruction of Israel. Islam has picked up this banner and is running, wildly with it. In this respect, Hitler's work is still continuing. It's as if, it never stopped! There are those who teach it is a service to God to kill the Jewish People. They are saying, the world can live in peace, if the Jewish People are killed. Again, nothing could be further from the truth! Next, the Christians would be killed.

Replacement Theologians in our day maintain God has canceled all His promises to Israel. They, especially, believe the land of Israel does not belong to the Jewish People. Scripture shows this to be untrue, yet they cling to this man-made doctrine with all their strength! If God has nullified His promises to Israel, Israel would not have become a nation, once again, in 1948. Since that time, Israel has become a beautiful Oasis. Truly, God is blessing Eretz Israel!

The truth is, when God returned the land of Israel to the Jewish People, He completely demolished the primary pillar supporting "Replacement Theology." That is because the land of Israel belongs to the Jewish People, just as God said, thousands of years, ago. All the promises made to them still remain. It is God's hand that holds back the hordes of the surrounding enemies of Israel, who want the total annihilation of the Jewish People! God will never abandon His People!

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates *Argentina Officially Designates Hamas as a Terrorist Organization;*

Argentina officially designated Hamas as a terrorist organization, the office of President Javier Milei announced. "The Hamas group has been declared by the Argentinian state as an international terrorist organization," the statement reads. "Furthermore, in recent years, its link with the Islamic Republic of Iran has been revealed - whose leadership was found responsible for the attacks against the Israeli embassy in Buenos Aires and against the Argentine Israelite Mutual Association by the Federal Chamber of Criminal Cassation on April 11. These attacks cost the lives of more than 100 Argentinian civilians." "President Javier Milei has an unwavering commitment to recognizing terrorists for what they are. This government has reiterated on multiple occasions its convictions that Argentina once again aligns itself with Western civilization, respectful of individual rights and its institutions. For this reason, it must be acknowledged that those who attack such values are declared for what they are: terrorists," the statement concluded. American media reported that the official designation was made as a show of support for Israel, while also stating that Argentina, which is home to the largest Jewish diaspora in Latin America, has "ordered a freeze on the financial assets of the Palestinian group." Milei arrived in Israel earlier this year to show support for its war against Hamas and stated that he would move the Argentinian embassy to Jerusalem.

16 Suspected Terrorists Arrested Across the US After Being Allowed in by Fed Bungles: 'Alarm Bells Are Ringing'; the Department of Homeland Security identified 400 migrants who have been smuggled into the United States via networks affiliated with the Islamic terror group ISIS. The government department admitted the whereabouts of 50 of those people were still unknown. As of June this year, a further 90 suspected terrorists were encountered and stopped at the Southern Border. Those fiendish undesirables are not alone. As a map assembled by an American news outlet shows, from one end of the United States to the other, intelligence failures between government departments have allowed potential terrorists over the border. Once their terror ties are realized, the FBI and Immigration and Customs Enforcement then have to locate the individuals sometimes years after they were admitted. Although the DHS tries to keep most of these situations under wraps, the news outlet has identified cases involving 16 individuals from California to North Carolina who were hiding in plain sight, often blending in among the millions of migrants who have crossed into the US in recent years. "If I am in law enforcement, I am looking at this and saying there are way too many numbers for it to be a one-off," Seamus Hughes, a terrorism expert at the University of Nebraska Omaha, told the news outlet while speaking of breaches at the Southern Border. "Alarm bells are ringing and it is a significant concern for law enforcement."
