THOSE WHO LIVE IN ISRAEL WHILE SEEKING HER DESTRUCTION WILL LOSE THEIR CITIZENSHIP

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

Palestinian Authority Chairman, Mahmoud Abbas has apparently decided to stand with Hamas and Islamic Jihad to trigger a third Intifada. Abbas issued a command for the Arabs to protect the Al Aqsa mosque on the Temple Mount at all costs. This means, with their lives, if necessary. The Temple Mount is the most holiest place on earth according to Judaism. It is the third most holiest place for Islam.

Israel finds herself at a unique crossroad in history. If she does anything to try and stop the Islamic terrorists, many in the world feels compassion for them, and takes up for them. If she doesn't do anything to stop her enemies, they will do their utmost to try and destroy her. Therefore, she cannot turn a blind eye to what is really going on in Israel. She must call it for what it really is. The Islamic terrorists and their weapons have become more sophisticated and deadly. Therefore, Israel's response must take all this into effect, when it goes into battle the next time.

Prime Minister Benjamin Netanyahu declared Saturday night that he "will instruct the Interior Minister to evaluate revoking the citizenship of those who call for the destruction of the State of Israel." By doing this, Benjamin Netanyahu will be taking a large step in placing the security of his people, first and foremost. It is only fair and just that those who call for the destruction of Israel should lose their citizenship.

"Israel is a nation of law. We will not tolerate disturbances and rioting," said Prime Minister Netanyahu. "We will act against those who throw stones, block roads and call for the establishment of a Palestinian state in place of the State of Israel. Whoever does not honor Israeli law will be punished with utmost severity."

Love the way Prime Minister, Benjamin Netanyahu is talking these days! Let's hope he keeps it up...

Thus says the Lord GOD in ***Ezekiel 28: 25-26***, ***"When I gather the house of Israel from the peoples among whom they are scattered, and will manifest My holiness in them in the sight of the nations, then they will live in their land which I gave to My servant Jacob. They will live in it securely; and they will build houses, plant vineyards and live securely when I execute judgments upon all who scorn them round about them. Then they will know that I am the LORD their God."***

We want to thank each and every one of you who so generously responded to our need, and we still need your help. Please remember to keep us in your prayers and finances. Shalom in the Messiah, Rabbi Robert Israel Solomon

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

NETANYAHU: WE WON'T TOLERATE HAMAS OR ISIS FLAGS AT PROTESTS IN ISRAEL:

Israel won't tolerate violent rallies within its midst in which the protesters call for the nation's destruction, PM Benjamin Netanyahu told the cabinet. He spoke in the aftermath of violent riots by Israeli Arabs in the Lower Galilee near the village of Kfar Kanna. "We won't tolerate any more protests in the heart of our nation, where Hamas or ISIS flags are hoisted, or where they call to liberate Palestine with blood and fire. In essence they are calling for the destruction of Israel," Netanyahu said. "Israel is a nation of laws, and anyone who violates them will be harshly punished," said Netanyahu. This includes, he said, those who throw stones, Molotov cocktails, block roads and puncture tires.

HUNDREDS CLASH WITH IDF FORCES IN 'DAY OF RAGE': Palestinians adhered to leadership calls to hold a so-called 'Day of Rage' against Israel, as hundreds of Judea & Samaria residents staged protests and clashed with Israeli security forces. Violence erupted at the flashpoint Kalandia checkpoint, as some 400 Palestinians threw stones and firebombs at IDF troops. In the Shuafat refugee camp, a funeral was held for 38-year-old Ibrahim al-Aqari, the east Jerusalem resident who killed two people and injured a dozen more in a terrorist attack. Bright-green Hamas flags were carried through the terrorist's hometown, as residents threw stones and Molotov cocktails at security forces following the ceremony. Torching tires and trash cans, they chanted anti-Israel slogans, prompting Border Police officers to spray tear gas and quell the rising tensions. Both Hamas and Islamic Jihad called on Palestinians to take to the streets of Jerusalem and Judea & Samaria to demonstrate against Israel's policies at the Aksa Mosque. Near Ramallah Palestinians threw stones at security personnel, while demonstrations were held in other areas to the south, near Hebron.

PEACE PARTNER? ABBAS' FATAH DEMANDS MORE CAR TERROR ATTACKS: Palestinian Authority (PA) Chairman Mahmoud Abbas' Fatah movement, still held up as a "moderate" counterbalance to Hamas by many in the world, is actively calling for car terrorist attacks after a recent spate of three such attacks. After a Hamas terrorist murdered two, and wounded many others with his car in Jerusalem, and another Arab driver rammed into three soldiers, Fatah posted numerous cartoons and images to its page calling for more such attacks. One cartoon was titled "the run over organization." In the cartoon, Fatah urges "hit the gas at 199 km/h for Al-Aqsa." Another Fatah post reads simply "run over, friend, run over the foreign settler!" In yet another post a picture of former PA Chairman Yasser Arafat shouting was subtitled "the Jews are defiling Al-Aqsa - will you not rage?" Abbas last month called on Palestinians to prevent Jews from entering the Temple Mount - the holiest site in Judaism - "using all means necessary."
