## IS ISLAM A RELIGION OF PEACE?

### ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### ***"Gentiles Commission to the Jews"***

**Yachad Ministries** has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

***"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."***

**Romans 15:27**

The last few weeks have been filled with much violence. Seventeen people were killed in France within three days. The aftermath of this violence brought millions of people together, in France, to make a stand against Islamic terrorism. Those who were murdered there took a stand for free speech. They died for doing so. However, on the front line of the march was the Islamic terrorist, Mahmoud Abbas. He is the Palestinian Arab leader, who has caused numerous Jewish deaths. To see him on the front line of that rally for peace was shocking. He does not and never has stood up for peace. In fact, he seeks death and destruction. His importance to his people is coming to an end.

Four Jewish people were also killed in a Paris kosher market. These four people were chosen as sacrifices, simply, because they were Jewish. Thousands of people attended their funerals in Israel. Funerals are one thing Israel has too much of. Prime Minister Netanyahu spoke at the funeral. He called on the world, especially the West, to take a more forceful stand against radical Islam. He said, "These aren't just enemies of the Jews, but all of humanity. It's about time that all of the civilized world unite and uproot these enemies from our midst." Netanyahu believes that during his trip to Paris, he came away with the impression that "most leaders understand that the terror of radical Islam presents a clear and present danger to the world in which we live."

Israeli leaders vow to welcome European Jews with outstretched arms if they want to come home to Israel. Many Jewish People are feeling very uncomfortable living there at this time. It would be for their own good if they get out of France, and other European countries. It's much safer in Israel. It's amazing how God protects His People. They are surrounded on every border by their enemies, who would love nothing more, than to rip them to pieces. Yet, God watches over them. We know God does not slumber, nor sleep.

Releasing extremely, dangerous Islamic terrorists from Guantanamo prison does not look good on the Obama administration. Especially, when most of them were determined "high risk." Some have already returned to killing, maiming and raping "their" enemies in various countries. Obama administration, also refused to call the 2009 senseless slaughter of 13 of our soldiers at Fort Hood what it really was, Islamic terrorism. The Muslim man who did it admits he is a soldier of Allah. To call this crime a workplace violation is absolutely ridiculous. Unfortunately, we haven't seen the end of Islamic terrorism. Our leaders can't come against what they refuse to say, and/or acknowledge.

***We want to thank each and every one of you who so generously responded to our need, and we still need your help. Please remember to keep us in your prayers and finances. Shalom in the Messiah, Rabbi Robert Israel Solomon***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

## Israeli Updates

### **ISRAEL CLOSES THREE ISLAMIC CHARITIES FOR CAUSING UNREST ON TEMPLE MOUNT:**

The Shin Bet (Israel Security Agency) and the Israel Police closed three NGOs they say were funneling money to activities meant to "inflare tensions on the Temple Mount." The three charities were named by the Shin Bet as "Ruad Al-Aqsa", "The Al-Jaffar Fund for Art and literature", and the Nazareth-based "Muslims for Al-Aqsa". According to Shin Bet, these groups were formed in October 2014 by the northern branch of the Islamic movement "with the purpose of funding activities meant to disrupt the security of visitors to the Temple Mount and in order to inflame tensions and cause disturbances, while harming the sovereignty of the state of Israel at the site." The closures follow a decision made by the Defense minister, when he declared them banned organizations.

**ARCHAEOLOGISTS FIND POSSIBLE SITE OF YESHUA'S TRIAL IN JERUSALEM:** It started 15 years ago with plans to expand the Tower of David Museum. But the story took a strange turn when archaeologists started peeling away layers under the floor in an old abandoned building adjacent to the museum in Jerusalem's Old City. They knew it had been used as a prison when the Ottoman Turks and then the British ruled these parts. But, as they carefully dug down, they eventually uncovered something extraordinary: the suspected remains of the palace where one of the most important scenes of the New Testament may have taken place - the trial of Yeshua. Now, after years of excavation and a further delay caused by wars and a lack of funds, the archaeologists' precious find is being shown to the public through tours organized by the museum.

**MILITARY EXPERTS: US NOT IN 'WAR ON TERROR':** Retired US Army Maj. Gen. Paul Vallely and retired Air Force Lt. Gen. Thomas McNerney - co-authors of the bestselling book "Endgame: The Blueprint for Victory in the War on Terror"- announced they have decided to change their designation of a "War on Terror" to a refocused "Global War Against Radical Islam." Vallely and McNerney believe it is important to tell the American people directly what this conflict is about, "and the truth is this isn't a war on terror, it's a global war against radical Islam. We are currently in a war initiated by radical Islamists who intend to expend their political control around the globe." Vallely expressed strong concern over President Obama's unwillingness to call the Paris murders at the satire magazine Charlie Hebdo an act of radical Islamic terrorism. In contrast, Vallely referred to his two in-person meetings last year with Egyptian President Abdel Fattah el-Sisi. "President el-Sisi is probably the most outstanding Muslim leader in the Middle East right now, because he has called for a fundamental change in radical Islam, and he has criminalized the Muslim Brotherhood as an extremist terror-supporting organization," Vallely said. "He explained to me eye-to-eye that he has to look through 'the reality prism' of the Middle East, while the politicians in the United States continue to look through the 'political prism' "
