WILL THERE EVER BE PEACE?

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

Prime Minister Benjamin Netanyahu is coming to terms with the fact, that he has no true peace partner to work with, via the Palestinian (Arabs). Frustrated by this fact, he is calling on Israel's lawmakers to recognize this and come to terms with it, also. Israel has done all she can do to work with the Palestinian. They entered the peace talks with great hopes for progress. They have done everything, humanly possible, and then some. No country would put up with what Israel has put up with. But, no matter what they do, it is never enough for the Palestinian. The reason for this is, the Palestinian don't want peace with Israel. They want all of the land of Israel, including Jerusalem, and will settle for nothing less. This is something Israel cannot do. Israel is the only true home the Jewish People have. They are in the land God, Himself gave them thousands of years, ago. There are many Arab Countries the Palestinian can live in.

The Palestinian (Arabs) refused to do the simplest of things to show they desired peace. The incitement never ceased from their media, nor was it removed from the children's school books. The children are still being taught to desire death, as Islamic heroes, rather than living good lives, free of hate. From very early ages, they are taught to hate the Jewish People and the American People. The truth be known, their hatred for Americans supersedes their hatred for Jewish People. Indeed, they have done nothing to show they desire peace with Israel at all. It is always Israel who gives and gives, and it is the Palestinian who take and take.

This vile hatred for Israel has now spread world wide, as country after country, speaks out against her, while taking up for her enemies. No longer is it just Palestinian who are saying, "Israel has no right to exist!" Israel's enemies have never made their desires a secret. They are quite open about it. They want the death of all the Jewish People. Then, I assure you, they will go after the Christians. This is and has been their plan for a long time. In fact, it was also Hitler's plan.

Once Israel says, "Enough is enough," it very well may be up to Jordan to take the Palestinian (Arabs) people in. This is the reason Jordan was established to start with. King Abdullah is quite upset about this prospect. Hundreds of thousands of Palestinian would flood Jordan. King Abdullah is so upset about this, that he is thinking about breaking the 1994 peace treaty with Israel. Jordan is already more than 50 percent Palestinian. Many in Jordan are afraid this could mean Jordan's demise and the obliteration of their national identity. But, the Arabs don't care if Israel ceases to exist. As a matter of fact, that is their goal. Nor, do they care if Israel loses her 'Jewish' identity, by flooding Israel with 'millions' of Arab people. This is what they are demanding Israel to do.

Therefore, behold, the days come, saith the LORD, that they shall no more say, The LORD liveth, which brought up the children of Israel out of the land of Egypt; But, The LORD liveth, which brought up and which led the seed of the house of Israel out of the north country, and from all countries whither I had driven them; and they shall dwell in their own land. (Jeremiah 23:7-8)

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

PA: 'PALESTINE' WILL BE FREE OF 'SETTLERS': Palestinian Authority (PA) chairman Mahmoud Abbas' spokesman criticized PM Netanyahu for saying that Israel would strengthen the settlement enterprise in Judea and Samaria. Nabil Abu Rudeineh, said that Netanyahu's remarks convey a message to the international community that Israel continues to place obstacles and destroy opportunities to renew the peace process. "The failure of the international community to recognize the [so-called] Israeli occupation of the West Bank, [Judea & Samaria] including East Jerusalem, proves that the Palestinian problem is strong, however the Palestinians are determined to establish their independent Palestinian state with East Jerusalem as its capital that will be empty of settlers [Jews]." Abu Rudeineh's remarks are a reflection of a policy that has continuously been stressed by Abbas and his associates, and which vows that a future Palestinian state will be free of Jews. Netanyahu has said that the PA leadership's demand that a Palestinian state be free of Jews is ethnic cleansing and the concept of ethnic cleansing for peace is absurd.

ISRAEL MOVES TO WITHHOLD AMOUNT PALESTINIANS PAY TERRORISTS' FAMILIES: Broad support is forming for a bill submitted to Israel's parliament that would reduce the amount of funding the Palestinian Authority receives each month from Israel by an amount equivalent to stipends the PA pays to families of terrorists. With international voices expressing outrage at the payments, Israeli lawmakers are seizing the opportunity to quash this PA practice. On 11 June 2017, a Ministerial committee approved the bill which now must survive three readings before the entire body.

SAUDI NEWSPAPER CRITICIZES HAMAS: The Saudi newspaper Okaz reported last week that Hamas has invested "\$120 million in the past year in intensive tunnel construction. Hamas allocates millions of Saudi and UAE dollars in order to support Iranian-orchestrated terror." Saying "there is no difference" between ISIS and Hamas, the paper called for immediate Arab intervention in order to prevent Hamas' exploitation of Gaza's citizens. "Hamas uses all the aid the Palestinians receive to support their interests, it digs tunnels under schools, houses and hospitals and thereby poses a danger to the lives of Palestinian [and Israeli] civilians."

UNRWA: A BRIEF REVIEW: The United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA), with its \$1.3 billion budget (30% of which comes from USA taxpayers), actually perpetuates the refugee problem it was created to solve, while promoting Palestinian rejectionism and Jew hatred. The original 700,000 Palestinians leaving Israel have now been magically transformed into over 5.6 million "refugees" registered with UNRWA, about half of all the Palestinians living in the world today. The "temporary" UN agency has developed into a bloated bureaucracy with a staff of 30,000, almost all of who are Palestinians (many are activists of Hamas, the Islamist terrorist group). Less than 5% of UNRWA's clients ever lived in Israel, but the agency's regulations state that all descendants of the original displaced persons shall retain their refugee rights in perpetuity.
