WHY ISRAEL MUST NEVER ACCEPT A TWO-STATE SOLUTION

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

Imagine, if you will that radical Islamic Countries, plus most of the world would demand the United States to give up much of her land, so the United States' enemies could live among us. Further, imagine, ISIS and other radical Islamist living among us by the hundreds of thousands. We have already seen how they treat people. No sane people would want neighbors like that. Well, neither does Israel. Israel is a Sovereign nation, just like America is. Therefore, the world has no right to divide the land of Israel. There is a very heavy consequence for doing so and that is God's Judgment upon all those who seek to divide the land of Israel. ***(Joel 3:1-2). "For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem, I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land."***

The world must know it is not just Israel that radical Islamist want. Their quest is to possess the entire world and force Islam upon everyone. Sadly, not nearly enough is being done to stop the spread of radical Islam and Sharia Law. So, it is spreading like wild fire.

For years we have been bombarded by expert opinions telling us that the only way there can be peace between Israel and the Palestinian Arabs is via the Two-State Solution. This is a lie the world has swallowed up, lock and key. If one hears a lie often enough, unfortunately, many of them begin to believe it. Israel has asked for two things. That is for her enemies to recognize her as a democratic Jewish state and she desires peace with all her heart. Her enemies refuse to honor either one of these requirements. Now, the world is saying, Israel should make no exemptions, whatsoever. Just keep giving away the land until there is nothing left to give.

Should Israel agree to her enemies demands it could be disastrous. It may be the final stage when Israel is reduced to a withered piece of a strategically weakened state, impossible to defend or protect itself from certain onslaught, by an ever threatening circle of radical Islam. Israel would become a "ghetto" and that would make it easier for her enemies to destroy her. Those who want the Two-State Solution are counting on this. Therefore, we should speak out on Israel's behalf, and reject the vile Two-State Solution.

Palestinian Arabs have proved, over and over, that every time Israel gives them land, they only get closer to the Jewish People, which makes it easier for the Palestinian Arabs to kill them. That would be a living nightmare for Israel. Therefore, I say, the Two - State Solution is not, nor ever will be in Israel's vital interest. It is truly time to say, "NO" to this disastrous plan!

Distances Between Israeli Population Centers and Pre-1967 Armistice Lines

Written by, Shoshannah Blalock

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

WHITE HOUSE CELEBRATES 'JERUSALEM NOT ISRAEL' RULING: The White House relished the USA Supreme Court ruling the day before, which sided with President Barack Obama in striking down a Congressional law calling to have Jerusalem recognized as part of Israel on American passports. "We welcome the Supreme Court's important decision which reaffirms the long-established authority of the president to recognize foreign states, their governments, and their territorial boundaries," White House press secretary Josh Earnest said in a statement. The 3,000-year-old capital of the Jewish people has not been recognized as being in the sovereign territory of Israel by an American president since being liberated by the Jewish state in the 1967 Six Day War. Likewise the American Embassy is still located in Tel Aviv. According to Earnest, the Supreme Court decision "confirms that the president's recognition determinations should be accurately reflected in official documents and sensitive diplomatic communications, including passports." The Obama administration has opposed the Congressional law which was passed in 2002 and called for USA passports of citizens born in Jerusalem to list their birth country as Israel, saying by recognizing Jerusalem as part of Israel it would lose credibility as an "impartial broker" in peace talks.

GAZAN TEENS LEARN JIHAD AT HAMAS SUMMER CAMP: It's summertime in Gaza, and that means Hamas terrorist training camps have once again been launched to teach children and teens the ways of jihad. The first camp of the season, "Hamas knights," ended mid-week. The Hamas political propaganda system that hosted the youth camp dedicated the camp activities to the Arab terrorists currently jailed in Israel. Ayman Barud, who is responsible for the Hamas camps said that the participants of the camp identify with Khader Adnan, the Islamic Jihad terrorist who has been hunger-striking in jail for 36 days. "Youth of Palestine today show solidarity with the prisoner Khader who is managing the campaign of empty intestines against the prisons of the occupation, and with the prisoner Abdullah al-Barghouti who was again transferred to isolation," Barud said. Al-Barghouti is serving 67 life sentences for his part in conducting terrorist attacks, in which 66 Israelis were murdered. No less than 850 youths took part in the summer camp.

82% OF ISRAELIS SEE ANOTHER ROUND OF FIGHTING WITH HAMAS IN GAZA: As a trickle of rockets fired from the Gaza Strip continues hitting Israel every few days, 82 percent of Israelis foresee another round of fighting against Hamas in Gaza. According to a poll, released this week, when asked whether Israel defeated Hamas in last summer's Operation Protective Edge, half said yes. On the northern front, 54% of Israelis foresee a confrontation with Hezbollah. Meanwhile, 42% view ISIS as posing less of a threat to Israel. In light of the threats Israel faces, respondents were asked what their position on the defense budget was, with 52.2% saying the budget should not be cut. Forty percent of Israeli-Arabs also hold that opinion.
