## ISRAEL WILL NOT RETURN TO THE PRE '67 BORDERS?

### **"Israel, Palestine and the Middle East"**

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### **"Israel, the Church and End-Time Prophecy"**

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### **"Messiah and the Passover Seder" (Presentation)**

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### **"Gentiles Commission to the Jews"**

**Yachad Ministries** has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

**"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."**

*Romans 15:27*

As the new president Donald Trump makes his first trip to Israel and the Middle East, we start hearing the same demands from the Palestinian Arabs, that Israel must return to her pre-67 borders.

The truth is that the Palestinian Arabs know that Israel and all her citizens want to do is to live in peace with her neighbors. But her neighbors do not want peace with Israel. They want one thing, and that is the total, complete destruction of the Jewish People. Her enemies will accept, nothing less, than this. She is surrounded on all sides by enemies, who believe they are doing God a favor, by killing the Chosen People.

By returning to this pre-67 borders this would box Israel into a corner, by taking more and more of her land, away from her, she will become totally defenseless from her enemies. Israel cannot take such a risk as this. It would be, nothing less, than mass suicide! I hope Israel refuses to go along with this idea. As it is, she is the only country making concessions to her enemies. Not once, has any Arab Country made a single concession! That should tell people something very important.

Let us not forget that Israel is a Sovereign Nation. What constitutes that Israel is a Sovereign Nation? The most important thing is God established her as a nation 4,000 years, ago. You can't get anymore sovereign than that! However, modern day Israel meets all the criteria of a Sovereign Nation, as well. She is a ruling power with proper authority of a self government. She has set this government up for her people. In her case, she set forth a Democracy. Her land, or territory, exists as an independent state. She has the ability to rule and protect her people.

The land of Israel belongs to the Jewish People. Many people are dead-set against this fact. However, this doesn't change God's Mind one iota. Great nations, such as the Roman Empire, the Greek Empire, the Assyrian Empire, the Babylonian Empire, the Persian Empire, the Byzantine Empire, the Crusaders, the Spanish Empire, Ancient Egypt, Nazi Germany and the Soviet Union have all tried to stop Israel. They lost all their power, and influence, and no longer exist. Yet, the Jewish People still exists. Man had done everything to try and stop Israel. They are still trying to do so. One thing is for sure, they will not succeed in their endeavor. Israel will still be here, long after, her enemies are gone!

***"And I will establish My covenant between Me and you and your descendants after you throughout their generations for an everlasting covenant, to be a God to you and to your descendants after you. And I will give to you and to your descendants after you, the land of your sojourning, all the land of Canaan, for an everlasting possession; and I will be their God."***

***(Genesis 17:7-8)***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

## Israeli Updates

### DEPUTY FOREIGN MINISTER TO TRUMP: DON'T DIVIDE JERUSALEM:

Deputy Foreign Minister Tzipi Hotovely, followed by a large security detail, strode through the Lion's Gate into the Old City of Jerusalem. "The soldiers walked into this place after 2,000 years of expulsion," she said in an interview with an Israeli daily. "I come from the generation where a united Jerusalem is a fact." Ahead of USA President Donald Trump's visit to Israel and the 50th anniversary of the Six Day War, Hotovely said Trump should abstain from efforts to allow a Palestinian capital in east Jerusalem. "First of all, move the USA Embassy," Hotovely said while touring the Old City. "We are expecting that moving the embassy is a symbol of the fact that Jerusalem should be recognized as the united capital of Israel." Trump faces an expiring presidential waiver on 1 June 2017 that overrides a 1995 law mandating the USA Embassy move from Tel Aviv to Jerusalem. The waiver has been extended since the Clinton administration, citing USA national security concerns. Hotovely stated that dividing Jerusalem "is definitely not a good idea, even if it was practically possible," and argued that Israeli control of the city "is the only way to make sure that everyone feels comfortable and safe." PM Netanyahu issued similar statements on Thursday. "It's fitting that all the embassies – first and foremost that of our friend the United States – will be relocated to Jerusalem, which is their natural place," he said.

**MIKE PENCE: ISIS IS GUILTY OF GENOCIDE AGAINST CHRISTIANS:** The Trump administration is raising alarms about the ISIS committing genocide against Christians, a conclusion that President Obama's team reached reluctantly only last year. In a speech late last week that didn't receive much press attention in Washington, Vice President Mike Pence told the World Summit in Defense of Persecuted Christians that atrocities are being committed against Christians across the Middle East, from Egypt to Syria to Iraq. "The practitioners of terror harbor a special hatred for the followers of Christ, and none more so than the barbarians known as ISIS," Mr. Pence said. "That brutal regime shows a savagery unseen in the Middle East since the Middle Ages. And I believe ISIS is guilty of nothing short of genocide against people of the Christian faith, and it is time the world called it by name." The vice president also said President Trump won't stand for the persecution of Christians. "He's made it clear that America will stand by followers of Christ in this hour of need," Mr. Pence said. "Our administration is fully committed in bringing relief and comfort to believers not only across the Middle East but across the world. This president knows the terrorists will not stop until we stop them. And under President Donald Trump, we will stop them."

Mr. Pence said the Christian faith "is under siege" around the world. "Throughout the world, no people of faith today face greater hostility or hatred than the followers of Christ," he said. "In more than 100 countries spread to every corner of the globe - from Iran to Eritrea, Nigeria to North Korea - over 215 million Christians confront intimidation, imprisonment, forced conversion, abuse, assault, or worse, for holding to the truths of the Gospel. The vice president said Mr. Trump "sees these crimes for what they are: vile acts of persecution animated by hatred - hatred for the Gospel of Christ." He said Mr. Trump also knows who is committing the crimes. "He calls them by name - radical Islamic terrorists," Mr. Pence said to applause. "From al Qaeda to al Shabaab, from Boko Haram to the Taliban, these extremist groups seek to stamp out all religions that are not their own. And believers from every background have suffered grievously at their hands."
