Riots On The Israeli - Gaza Border

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

The eyes of the world are fixated on Israel. The Capitol of Israel has been moved to Jerusalem. But, it did not come, easily. The Israeli military had dropped leaflets all over Gaza, emphatically, telling them to stay away from their borders. They said, violators would be shot. Not one person would have been shot, or killed, if they would have heeded this command. But, foolishly, they did not listen. As usual, the news media around the world did everything they could to try and place Israel in a bad light.

The truth is 90% of the people who were killed that day were active members of the terrorist organization, Hamas. Hamas is on the same level as, ISIS. There is not one good thing about them. Their intention is to destroy the Jewish People from the face of the earth. They do not want peace with Israel, not now, not ever. They want every inch of Israel, including, of course, Jerusalem. They want Jerusalem to be their Capitol. They keep forgetting that Israel belongs to the Jewish People.

We are in a time, now when people say, whatever they want to say. Often times, there is no truth to what they say. But, they believe if one repeats the same deceitful lies, often enough, they can fool people into believing, anything they want them to believe. Much of the news in America is done this way. For many in the media, the truth is nothing, but a nuisance and a bother. It is much easier for them to make up untruths, and report them, as being true. They make things up to suit the agenda they are promoting.

The truth is, Hamas based people (rioters) to the Israeli-Gaza border. They were paid to participate in the clashes. Hamas encouraged women and children to join in the rioting. Families were given \$100 to add to the ruckus. Single people were given \$14.00. For those who were wounded while trying to break through the Israeli border, Hamas gave them, \$500.00. Hamas mingled among the crowd inciting violence and leading armed charges, while carrying machine guns, Molotov cocktails, and explosive devices. One hundred and ten rioters died for participating in the riots. Was it worth it, to die while supporting Hamas's agenda, based on lies?

Not all the men were affiliated with Hamas. Some were affiliated with other Islamic terrorist organizations. They all had the same goal in mind. That was to break through the border and kill, as many Jewish People, as possible. This was NOT a peaceful civilian demonstration! Considering all this, Israel did not use excessive force on the demonstrators. They were warned, but chose not to listen. There was no such thing as peaceful resistance. Those was false words used by the media.

Neither Israel, or any other country would have just sat there, and allowed these terrorists to come over the border and slaughter them! What was the real reason the people were trying to break the barrier? The intention of the Gaza riots, against the Israelis was "to tear down their border and TEAR-OUT their hearts!"

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

LIBERMAN: 'ISRAEL, USA MUST LEAVE UNHRC OVER ITS GAZA SUPPORT':

Israel and the USA must immediately withdraw from the United Nations Human Rights Council to protest its decision against Israeli actions on the Gaza border, said Israel's Defense Minister Avigdor Liberman. "Israel is under a double attack: A terror attack from Gaza and an attack of hypocrisy headed by the United Nations Human Rights Council." The Human Rights Council's condemnations of Israel, said Liberman, "are meant to deter Israel from protecting itself. We must stop permitting this celebration of hypocrisy and immediately withdraw from the Human Rights Council, and work diligently so that the United States joins us in this step." The UNHRC has held more special sessions on Israel than any other country. The only other country on which it has focused scrutiny is Syria on which there has been five sessions. None have been held on Iran. It has also approved more resolution against Israel than against any other country. The Trump Administration has repeatedly threatened to pull out of the council unless it undergoes a process of reform and stops its biased treatment of Israel.

EMERGENCY SITUATION IN ISRAEL AS IDF TROOPS DEPLOYED TO ALL BORDERS: Israel is on high alert as her borders are threatened on all sides. Israel's Defense Force (IDF) has increased the presence of both active duty and reservists to fortify the country's borders. "These are not regular days in the Middle East," said General (res.) Yehiel Gozal. "If this situation doesn't quickly get under control, it is likely that a war will develop." Gozal's statement came following the news that 40,000 Palestinians were rioting at Israel's southern Gaza border. Although the international media is reporting that the Palestinians were holding peaceful protests, films of the riots paint a very different picture.

Rioters have set tires ablaze, planted bombs, flown incendiary kites into Israel destroying Israeli fields, and hurled firebombs, Molotov cocktails, and stones at IDF troops. Serious escalation of the situation occurred when Palestinians directed machine gun fire from Gaza at IDF aerial vehicles. Several residences in the Israeli border town of Sderot were hit. Gozal told media sources that the IDF has increased its presence by placing both reservists and active duty soldiers on every one of Israel's borders as well as in Judea, Samaria and Jerusalem. Every soldier is on high alert including Israel's air force, navy, ground forces and intelligence. In addition to the present danger on Israel's southern borders, Gozal pointed out that the Hezbollah terrorist group, along with Iran, "are waiting to join an attack on Israel from Lebanon on Israel's northern border. All these happenings have placed Israel in an emergency situation."

NOT ONE DEMOCRAT SHOWED UP FOR THE OPENING OF THE USA EMBASSY IN JERUSALEM: It is a sad reality in the midst of so much celebration and support for Israelis shown on the part of USA President Donald Trump and his Republican team, that not one Democratic Senator, Governor or Congressman or woman came to the opening of the USA Embassy in Jerusalem, not even Chuck Schumer who boasted of his long-standing support for his county's embassy shift from Tel Aviv: "In a long overdue move, we have moved our embassy to Jerusalem. Every nation should have the right to choose its capital," said Schumer, a Democrat from New York. "I sponsored legislation to do this two decades ago, and I applaud President Trump for doing it." Why then did even this enthusiastic democratic Israel supporter, who is himself Jewish, fail to show up for the joyful occasion of the USA embassy opening in Jerusalem?
