## SHAVUOT: THE GIVING OF THE TORAH

### ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### ***"Gentiles Commission to the Jews"***

**Yachad Ministries** has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

**"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."**

**Romans 15:27**

Considering the importance of Shavuot, it should be a very well-known holiday. That is because it commemorates the single most important event in Jewish history, the giving of the Torah at Mount Sinai. This took place more than 3,300 years, ago. Every year at this time, we renew our acceptance of God's gift, and He "re-gives" the Torah to us

The word Shavuot means "weeks." It marks the completion of the seven week counting period between Passover and Shavuot. God took the Jews out of Egypt, so they would be His own treasured people, holy and separated from the pagan cultures around them.

Moses was sent by God to Egypt to deliver the people of Israel from slavery. When Moses went up the mountain, God commanded him to tell the leaders if they would obey God and keep His covenant, then they would be His "kingdom of priest" and a "holy nation." The people responded by saying, "kol asher diber Adonai na'aseh," which means, "all that the LORD has spoken, we shall do."

The LORD declared the foundation of moral conduct required of the people in the Ten Commandments. It has touched the Jewish soul for all time. This can be compared to a wedding between God and the Jewish People. For on Shavuot, God swore eternal devotion to us, and we in turn, pledge our everlasting loyalty to Him.

Without a doubt, the giving of the Torah was an awesome event. It stamped the Jewish nation with a unique character of faith and destiny. In turn, it has helped to build the moral basis for Western Civilization.

***"God spoke to you from the midst of the fire; you were hearing the sound of words, but you were not seeing a form, only a sound. He told you of His covenant, instructing you to keep the Ten Commandments, and He inscribed them on two stone tablets." Deuteronomy 4:12-13.***

***We want to thank each and every one of you who so generously responded to our need, and we still need your help. Please remember to keep us in your prayers and finances. Shalom in the Messiah, Rabbi Robert Israel Solomon***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

## Israeli Updates

**ANTI-ISRAEL POLITICIAN LOSES UK PARLIAMENT SEAT IN ELECTION:** George Galloway, a vehemently anti-Israel British politician has lost his seat in parliament following the UK's national elections on Thursday 7 May, 2015. The controversial Respect Party MP for Bradford West has been vocal about his dislike for Israel and "Zionists," though fiercely denies he is anti-Semitic. In his concession speech, Galloway emphasized that this is not the end of his political career: "As a matter of fact, I'm going off now to plan my next campaign." The newly ex-politico is in hot water for a number of reasons, including recent allegations that he misused government funds for his private charity, Viva Palestina, which was recently frozen by the UK's Charity Commission. Last year, standing in front of a Palestinian flag, Galloway declared the city of Bradford an "*Israel-free zone*." Another anti-Israeli MP lost his post as well, with David Ward of the Liberal Democrat party falling in Bradford East. Arutz Sheva Managing Editor Ari Soffer, who is British-born, dissected the results, saying "defeats for Galloway and Ward are very important in showing that Jew-baiting doesn't pay off as a political strategy.

**DUTCH CUT HOLOCAUST SURVIVOR'S PENSION FOR LIVING IN JUDEA & SAMARIA:** After labeling settlement products and boycotting Israeli companies, Europe has exacerbated its anti-Israeli policy and this time the decision is particularly problematic: The Netherlands has slashed the pension of a Holocaust survivor who recently immigrated to Israel because she chose to live in Judea & Samaria. The woman, a 90-year-old Dutch Holocaust survivor identified in the report only as D., received a monthly pension of about €1,100 (4,300 shekels) from the Dutch government. She moved to Israel in the past few months because of the recent spike in anti-Semitic attacks, her son told the station. Now she receives €740 (3,200 shekels), a reduction of nearly 35 percent, plus what she gets from the Israeli government as a Holocaust survivor. She updated the Dutch government with her new address and received a surprising response. The letter sent to her said: "Madam, due to living in the West Bank, (*Judea & Samaria*) an area that we do not have any agreement with, we are obliged to deduct a large percentage of your old age pension." "It gave my mother such a shock that she just burst into tears," said her son. "She has not slept since. She lost her trust." The official explanation of the Dutch authorities is that any settlement in Judea, Samaria, East Jerusalem and the Golan Heights is a separate political entity from Israel.

**WAR OF THE TERRORIST GROUPS? ISIS IN SINAI CLAIMS ATTACK ON HAMAS IN GAZA:** ISIS threatens to declare war on the Hamas terrorist group in Gaza after the latter began a crackdown on local Salafist groups appears to be edging to fruition. An ISIS-affiliate in the Sinai Peninsula launched two bombs at Hamas posts in Gaza. Ansar Bayt al-Maqdis, which earlier this year swore loyalty to ISIS and changed its name to Sinai Province, claimed credit for the attack on a military post of Hamas' "military wing. ISIS forces warned in a message to Gaza residents: "distance yourself from military and security posts and guard your lives." To the Salafists currently jailed by Hamas, who reportedly have been tortured, they wrote, "we will not give up on saving you."
