## WE MUST NOT SUCCUMB TO RADICAL ISLAM

### ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### ***"Gentiles Commission to the Jews"***

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

***"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."***

Romans 15:27

On January 3, 2015, a 26 year old Jordanian pilot, Muath al-Kasaesbeh was viciously executed. ISIS set him on fire and burned him to death in an iron cage. ISIS has no morals and needs to be totally wiped out. Not only for the death of this pilot, but for the deaths of all ISIS's victims. Yet, this action caused Jordan to take a strong, earth shaking and decisive response to the video that showed his death. In the video, you could also hear the horrible screams of agonizing pain, before death finally took him. Most civilized people realize this was an extremely horrible way to die. But, death at the hands of ISIS is never intended to be pain free. Their imaginations know no ends when it comes to their satanic minds.

They seem to have a special love for beheading people. Some men are shot in the head at close range. Children are raped and often buried alive. Others are burned to death. ISIS perpetrates crimes against humanity which includes, massacres of entire villages, systemic murders, torture, rape and other horrific crimes. In the city of Mosul, alone they killed 670 prisoners in one day. All this is done to "instill terror among the population, ensuring submission to its authority."

So, one might ask why did Jordan decide to avenge the life of the Jordanian pilot, so quickly, and so forcefully? It is known that the Jordanian pilot was from a well-known family in a large Bedouin tribe that forms the backbone of support for the Hashemite monarchy. He was also a well-beloved pilot. Killing him was one thing, but burning him to death in a cage, was another thing. King Jordan moved quickly to do the right thing. For the moment, ISIS is on the move.

What is particularly sad is Israel is not allowed to do the same thing when one of her soldiers is killed. No, she is constantly told to use "restraint" and she is villainized, in the eyes of the world, if she does anything. All of the soldiers in the Israeli Defense Force deserve to know they are equally, as loved, and as important, as Muath al-Kasaesbeh. They need to know if anything happens to them, there will be strong, earthshaking and decisive response coming to whomever killed them. Israel doesn't need to get the permission to do so from the nations of the world. Be like the King of Jordan (in this case) and just do it! The world needs a strong Israel, whether they realize it, or not. If she falls, we all fall.

The recent victories in Syria and Iraq by ISIS is not all they want. They are set to take their jihad not only to Jordan, but to the Gaza Strip and the Sinai Peninsula. Israeli diplomats say they would be willing to launch a military operation in order to save the "Kingdom of Jordan." This is not a time to shrink back and succumb to radical Islam. We cannot do so. As the final battle between good and evil continues to take its positions, we must pray like never before.

***Arise, O Lord, do not let man prevail; let the nations be judged in Your sight." Psalm 9:19***

***We want to thank each and every one of you who so generously responded to our need, and we still need your help. Please remember to keep us in your prayers and finances. Shalom in the Messiah, Rabbi Robert Israel Solomon***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

## Israeli Updates

### THE US HAS BASICALLY AGREED TO IRAN BECOMING A NUCLEAR THRESHOLD STATE:

The Iranians have no intention of giving up their nuclear ability. The leaks about remarkable progress and gap bridging originate in Tehran and are designed to exert a bit more pressure on the American administration: Look how close we are. You've anyway lost your shirt, so put a bit more effort into it. The American president is making a huge effort to convince the Iranians to sign. But he has already put all the cards on the table. The Iranians have hardly budged while the Americans have reached the limit of concessions. The Americans have agreed that Iran will continue to hold onto the major part of the centrifuges, but are demanding that the West will control the uranium enrichment products. That means the US has basically agreed that Iran will become a nuclear threshold state, only the supervision will be tighter in the first years. The moment the Iranians decide to seize the opportunity, they will break through with a bomb very quickly. England, Saudi Arabia and the Gulf States, and especially France, are unhappy with the agreement that is taking shape.

**ARAB LEADER AGREES WITH BENNETT ON ARAB CRIME; 'IT'S UNBEARABLE':** Israel's leftist media attempted to portray statements Sunday by Jewish Home Chairman Naftali Bennett about the high rate of crime in the Arab sector as racist – but Bennett received unexpected support from an Arab leader. Sakhnin Mayor Mazen Ghanaim, the Head of the High Monitoring Committee of Arabs in Israel, said he, too, demands that police take action against crime in the Arab sector. "The current situation is unbearable," Ghanaim said. "Seventeen people from the Arab sector have been killed since the beginning of the year from illegal weapons. We are seeing thefts, torching of vehicles and widespread crime in the Arab cities. Ghanaim added that 70 people are murdered with illegal weapons annually in the Arab sector. Meanwhile, the media continued to portray Bennett negatively for his comments. The Jewish Home party leader responded on Facebook, saying that he finally understands why Arab crime is not being taken care of: "Because in Israel 2015, you can't even talk about the problem without the media and the left huffing and puffing and turning you into a 'fascist racist.'"

**REV. GRAHAM: 'MUSLIM IMMIGRANTS ARE IMPORTING THEIR HATRED OF JEWS AND CHRISTIANS INTO THE WORLD':** Reverend Franklin Graham, son of world-renowned pastor Billy Graham, said that anti-Semitism is "on the rise in Europe" fueled by "Muslim Immigrants" who are pushing "their hatred of Jews and Christians." He also stressed that freedom-loving people must fight the cancer of anti-Semitism and wake up and realize the dangers of Islam. "Anti-Semitism is on the rise in Europe and this is coming largely from the influx of Muslim immigrants who are importing their hatred of Jews and Christians," said Rev. Graham on his Facebook page on Feb. 6. "Even here in this country we are seeing this grow," he said. "It is a poison, a cancer to all freedom-loving people and should be stopped. The enemy known as anti - Semitism is not at the gate, it has already come through the gate," he said, "and it is time we wake up."
