“Israel, Palestine and the Middle East”

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

“Israel, the Church and End-Time Prophecy”

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

“Messiah and the Passover Seder” (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

“Gentiles Commission to the Jews”

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”

Romans 15:27

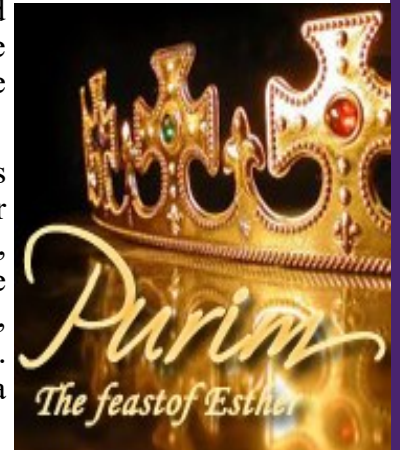

PURIM - THE HIDDEN HOLIDAY

Spring and the feast of Purim, are both upon us again, and Purim is one of the most fun filled but also one of the less known Jewish holidays. This year, it falls on the 14th day of the Jewish month of Adar, or the 10th day of March.

Some twenty-five hundred years ago in Persia, a young girl named Hadassah changed her name so that people would not know that she was Jewish. Even today, there are some people that is afraid and hides the fact that they are Jewish. If we look hard enough, even here in America, a land where freedom and human rights are so important, we can still find anti-Semitism.

Shortly after Hadassah changed her name to Esther, and winning a beauty contest, she married the king of Persia. Queen Esther became extremely popular, and with the help of her uncle Mordechai, she laid her life on the line to save the Jewish people that had been taken into captivity from Israel a number of years earlier. An evil man named Haman manipulated the king of Persia to issue a decree that all the Jewish people be exterminated. However, through the determination of Queen Esther, and the prayer and fasting of the Jewish people, all the Jews were saved and Haman and his sons were hanged on the same galas built to execute the children of Israel.

In the book of Ester, we see that being Jewish was not the most popular thing to be. Still Queen Esther keeps her Jewish identity hidden. In many ways, she is only masquerading as a Persian ruler. She continues to live as a Jew in secret keeping Kosher, honoring Shabbat and the rest of the Jewish Laws. She knew the importance of finding God even in a circumstance that could have cost her life.

The lessons of Purim is to discover God even when He is hidden. Within each of us is the power to gain clarity when there is turmoil and see light when seemingly there is no hope in the darkness. We always need to find God's guiding and loving hand during distressing events even when it appears that God is not present.

The Story of Esther is a story of intrigue and heroism. Its mysterious workings of the Divine cause us to search for God. Through Esther's story we learn that while not always apparent, God is always near. *Written by: Jeffery Blalock*

Genesis 28:14-15, “I am with you and will watch over you wherever you go, and I will bring you back to this land (Israel). I will not leave you until I have done all that I have promised.”

We want to thank each of you who pray for, and support Yachad Ministries financially. Without you, and the grace of God, Yachad Ministries could not carry on. If you have not yet (personally) helped us in this vital work, we ask you to let us know you stand with the vision and the work of Yachad Ministries by sending a love offering today to help further the work of the Lord.

We need your prayers and financial support today! Rabbi Robert I. Solomon

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

UK Anti-Semitic Incidents Continue To Spiral; A record 1,805 anti-Semitic acts were recorded in the UK in 2019, a 7% increase over 2018, the Community Security Trust (CST) reported on Thur. 6 Feb. 2020. 158 of the attacks were violent, representing a 25% increase over the previous year there were 88 recorded incidents of damage and desecration to Jewish property. Vice-chair of the all-party parliamentary group against anti-Semitism, Louise Hay, said: "It is shameful the Jewish community has been subjected to another year of racist abuse. We are beyond a stage of saying that more must be done. Immediate action is required."

Israeli Security Introduces Anti-Arson Balloon System; Explosive and incendiary devices tied to balloons have increasingly been launched over the border from Gaza in recent days. Late in January 2020, a senior Hamas official said the latest string of balloons was sent to remind Israel to ease the blockade on the territory. Hamas is a terror organization committed to the destruction of the Jewish state and has ruled Gaza since taking over the area in a bloody coup in 2007. It has since fired tens of thousands of projectiles at Israeli civilians and fought three wars with Israel. Announcing a major defensive upgrade on Thur. 6 Feb. 2020, Israeli police released information on the first operation of the "Light Blade" laser system developed by Opti-defense and the security establishment to intercept incendiary balloons. The system was able to intercept over 90% of the balloons detected in its test. It operates day and night and aims to deal with the threat of explosives and incendiary balloons with a laser beam that is launched at the target and neutralizes it without jeopardizing other elements in the area. There has been a sharp increase in violence in Gaza and Judea & Samaria following the recent release of the USA peace plan, which the Palestinians consider highly favors Israel.

Palestinians: Nothing Less Than All Will Do; For most Palestinians, the occupation began in 1948 when Israel was born, and they won't be satisfied by anything less than the elimination of the State of Israel. Palestinian Authority President Mahmoud Abbas told Palestinian TV in October 2013: "All Palestinian land is occupied - Gaza is occupied, the West Bank [Judea & Samaria] is occupied, the 1948 lands [Israel] are occupied and Jerusalem is occupied." A June 2019 survey by the Palestine Center for Public Opinion found that only 30% of West Bank Palestinians would approve a two-state solution. The majority says, "The conflict should not end, and resistance should continue until all of historic Palestine is liberated." One cannot mistake the meaning of the chant heard at all pro-Palestinian rallies: "From the river to the sea, Palestine must be free." The river is the Jordan River and the sea is the Mediterranean Sea. In other words, Palestine is Israel.
