## Jerusalem Is the Eternal Undivided Capitol of Israel

### **“Israel, Palestine and the Middle East”**

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### **“Israel, the Church and End-Time Prophecy”**

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### **“Messiah and the Passover Seder” (Presentation)**

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### **“Gentiles Commission to the Jews”**

**Yachad Ministries** has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

**“It pleased them indeed, and they are their debtors.**

**For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”**

*Romans 15:27*

President Donald Trump has accomplished something, no other United States President ever has. To be sure, many politicians running for the office of the President pledged they were going to do so, but once they became President, it is like they developed "amnesia," and forgot all about their promise to the American People and ultimately to, Israel. Under President Donald Trump, the United States Government, officially recognizes the City of Jerusalem, as the Capitol of Israel. Thus, the embassy is being moved from Tel Aviv to Jerusalem.

Every country has a right to decide which city will be their capitol. Israel is a sovereign nation. Like all sovereign nations, she has certain rights and choices, regardless of what other countries, may like, or dislike about it. They have their own countries and can make their own decisions. Israel is the nation, that God Almighty, Himself decreed for the Jewish People. Israel was never meant to be divided. Nor, was her land meant to be given to her enemies. Jerusalem was established in ancient times. To say, the Jewish People have no rights to the Holy Land God gave them is in direct opposition to God's Word. Those who come against Israel are coming against God's Plans for Israel. By doing so, they are bringing curses upon, themselves.

There are those who thought this act would lead to disaster. But so far, mostly, the Palestinians are in an uproar about it. There is nothing new under the sun about this. They claim Jerusalem is "their" capital. The more they repeat their lies, the more some people believe them. But, that still doesn't make it so. The truth is, the Arab Countries do not want the Palestinian People living among them. They see them as trouble makers. Therefore, they would prefer them to live in Israel. But, truly this should not be Israel's problem. The Palestinian People are Arabs, not Jews. It is not up to Israel to take care of them. Israel has her own People to be concerned with.

Most Islamic Countries don't believe the Jewish People have a right to exist in their own God given land. Iran is the absolute worse one of all. While a few Islamic leaders may have some diplomatic ties with Israel, mostly security ties, others are absolutely against Israel, no if's, and's or but's about it! The older leaders seem to cling to their hatred, or perhaps, to their fear, while a few younger leaders seem to be headed in a more conservative direction. Only time will tell which direction they will choose to walk in. Walking, as their fathers walked accomplished, only death and destruction.

In **Joel 3:2**, the Lord says: **“I will gather all the nations and bring them down to the valley of Jehoshaphat. Then I will enter into judgment with them there on behalf of My people and My inheritance, Israel, whom they have scattered among the nations; and they have divided up My land.”**

***Any nation that seeks to divide Israel, they too will be divided.***

***Written by: Shoshannah Blalock***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates**

**HONDURAS VOTES TO MOVE EMBASSY TO JERUSALEM:** Honduran lawmakers passed a measure calling on the government to move the nation's embassy in Israel from its present location in Tel Aviv to the Israeli capital city of Jerusalem. Israeli Foreign Ministry spokesman Emmanuel Nahshon hailed the vote in a tweet adding that PM Binyamin Netanyahu was scheduled to speak with Honduran President Juan Orlando Hernandez later in the day. Neighboring Guatemala also announced its plans to relocate its embassy in Israel from Tel Aviv to Jerusalem. Guatemala is expected to unveil its new embassy in Jerusalem on 16 May 2018 two days after the USA opens its new embassy.

**ARABS ON SOCIAL MEDIA SUPPORT ISRAEL AGAINST GAZA BORDER RIOTS:** Hamas knew that by sending tens of thousands of Palestinians to violently attempt to breach the Gaza security fence it would score mainstream media points against Israel, which had no choice but to defend its border with deadly force. But, while much of the Western press is apparently too thick read between the lines (or, too eager to bash Israel), many in the Arab world have put the blame precisely where it belongs, at Hamas' feet. Hamas' cynical exploitation of Palestinian civilians plays well in the Western media, but has long been reviled in the Arab world, even among those who hold little sympathy for Israel. The Israel Foreign Ministry reported that its Arabic-language social media accounts had received a surprisingly high number of messages of support following clashes between Israeli forces and the Hamas-led mobs in Gaza.

From Saudi Arabia to Iraq to Jordan, many Arabs said they backed Israel in this present conflagration, while slamming Hamas for putting civilians in harm's way. One commenter posted: "My heart is with my Jewish cousins. There is no escaping the fact that Hamas' Palestinian terrorism will inevitably end." Another from Iraq urged his "Palestinian brothers to not be dragged by Hamas' terror plots, which will only harm the Palestinians." At least one Arab social media user from Jordan criticized Hamas for burning thousands of tires and creating devastating air pollution for the children of Gaza. A commenter from Saudi Arabia echoed Israel's own explanations for why peace with the Palestinians has yet to be achieved: "The war on terrorism begins with the removal of it from a conceptual point of view. There is no doubt that the Hamas terror organization is blocking any option for peace and is working to spread hatred and violence. Israel has internationally recognized sovereignty." The Palestinians are losing the support of the wider Arab world as they continue to engage in pointless and destructive confrontations with Israel.

**THE NUMBERS BEHIND THE MURDEROUS ATTACKS:** Terror attacks in Israel have left 3,175 orphans, 822 widows, and 926 bereaved parents who live among us today. Ahead of the Memorial Day for the Fallen Soldiers of Israel and Victims of Terrorism, which was marked on Wed.18 April, 2018 the National Insurance Institute said the number of civilians killed in terrorist attacks since the declaration of the State of Israel in 1948 stands at 3,134. This figure also includes 122 foreign nationals killed in terrorist attacks in Israel and 100 Israelis who died abroad. In the past year, from the last Independence Day, 12 Israelis have been murdered, with the last one being Adiel Kolman, who was stabbed to death in Jerusalem on his way to the Western Wall last month. The terrorist attacks have left 3,175 orphans, including 114 who lost both their parents, 822 widows, and 926 bereaved parents who live among us today.

**Plant a Tree in Israel**

**Etz Chaim (A Tree of Life)**
