## ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

## ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

## ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

## ***"Gentiles Commission to the Jews"***

**Yachad Ministries** has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

**"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."**

**Romans 15:27**

## ***Israel's Independence Day (Yom Ha'Atzma'ut)***

Israel's Independence Day starts at sunset on Wednesday the 8th of May, 2019 (3rd of Iyyar). As Jewish People celebrate their independence, they will remain on high alert, as Islamic terrorists still seek to destroy them off the face of this earth. Israel has no delusions about this fact. It is an ever present danger and must be dealt with.

### ***The important thing is what God has to say on the restoration of Israel:***

The Prophet Amos wrote, there would come a time when the exiles of Israel would, again have Israel, as their own land, and would never be uprooted from that land, again ***Amos 9:14-15***.

In ***Ezekiel 37:10-14***, the Prophet Ezekiel received a vision in which Israel was seen as a scattering of dried-up bones, with no life. In this vision, God tells Ezekiel that the bones (Israel) would be brought back to life. Just as Ezekiel prophesied so long ago, millions of Jews are home, once again, in Israel. It is God, Himself, who has brought them back to Israel and filled them with life.

In ***Isaiah 66:7-8***, Israel's status as a sovereign nation was established and reaffirmed during the course of a single day. It was born of a movement called Zionism. Israel's Declaration of Independence was not the result of a war, but rather the cause of one. Hours after Israel declared independence in 1948, the surrounding Arab Countries attacked them, hoping to replace the Jewish state with an Arab state. These countries were much larger than Israel. But, tiny Israel prevailed in that war and two other wars, brought on them by Arab Countries. Truly, God is with Israel!

In ***Ezekiel 37:21-22***, the Prophet Ezekiel said, that God would one day bring the people of Israel back to Israel, as a "united" nation. This could have been shocking for the Prophet Ezekiel, as he lived about 2600 years ago. At that time, the people of Israel had already divided themselves into two separate kingdoms, the Northern Kingdom and the Southern Kingdom. Both kingdoms had been conquered by foreign invaders, who forced many of the people, including Ezekiel, into exile. But, when the Jews reclaimed sovereignty in 1948, they did so as a united people, creating one nation - Israel.

In ***Jeremiah 31:10***, the Prophet Jeremiah said, that God would one day gather the Jews back to Israel and that He would watch over them like a shepherd watches over his flock. Without a doubt, God is watching over both His People and the re-established nation of Israel.

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates**

**NETANYAHU: A NIGHT OF TREMENDOUS VICTORY:** PM Binyamin Netanyahu arrived at the Likud headquarters in Tel Aviv, to celebrate with hundreds of activists. Exit polls give the Likud party between 33 and 35 seats with the right-wing bloc leading the way in the number of seats. "You remember 23 years ago, it was the first time that Sara and I stood here, and here we are doing it again, thanks to you and for you!" he said. "I'm very excited tonight; it's a night of tremendous victory. I'm telling you - this is a huge achievement, almost inconceivable. Under impossible conditions, the Likud has grown dramatically. The people of Israel again showed their trust in me, for the fifth time. Already tonight I have begun talks with heads of the right-wing parties, our natural partners. Already tonight, almost all of them declared publicly that they will recommend me to form the next government. I intend to finish the job quickly in order to establish a nationalist, stable government. It will be a right-wing government, but I intend to be the prime minister of all the citizens of Israel; right and left, Jews and non-Jews alike. All the citizens of Israel," he stressed. "We face tremendous challenges – in security, economy, society, foreign relations. Security challenges and challenges to the normalization and peace with the Arab world. I am sure that by joining forces we will be able to meet all these challenges."

**A SERIOUS BLOW TO IRAN'S TERROR SPECIALISTS:** In a bold step, USA President Donald Trump has formally designated Iran's Revolutionary Guard a terrorist organization — a move that carries serious financial implications for Tehran and lengthy prison terms for those who provide material support. This marks the first time Washington has labeled another country's military a terrorist group. The move isn't without risk: Iran has threatened retaliation, including against USA forces in the Middle East, which is why Pentagon officials have long opposed the move. Then again, Iran also threatened massive retaliation after Trump withdrew from the 2015 nuclear deal. Instead, it now faces a collapsing economy (thanks to USA-led sanctions) and mounting internal dissent. Make no mistake about how critical the Guard is to the Iranian regime: It runs Tehran's ballistic missile program and has long been involved in Iran's nuclear program. It exports terrorism (through both financing and troops) and is directly involved in planning and carrying out terror attacks. It is, as Trump said, "the Iranian government's primary means of directing and implementing its global terrorist campaign." Sanctioning the Revolutionary Guard is vital to addressing the key elements that were deliberately omitted from the Obama nuke deal: Iran's missile program and its fomenting of global terror. As the president promised, withdrawing from that agreement was just one step in ratcheting up the pressure on Tehran. This is another critical step in that direction.

**'BETO O'ROURKE: NETANYAHU IS RACIST':** Robert "Beto" O'Rourke, a three-time representative of Texas's 16th congressional district and Democratic Party presidential hopeful, said earlier this week that PM Netanyahu is racist as he discussed the importance of the USA-Israel relationship. "The USA-Israel relationship is one of the most important relationships that we have on the planet," O'Rourke said. "And that relationship, if it is to be successful, must transcend partisanship in the United States, and it must be able to transcend a Prime Minister who is racist." O'Rourke has previously spoken out against Netanyahu. Earlier in March 2019, he said that Netanyahu has "openly sided with racists." He added that in a previous election, Netanyahu "warned that the Arabs were coming to the polls."
