Fatah and Terrorist Group Hamas, Sign a Deal

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

With the Palestinian negotiators from rival groups, Hamas and Fatah signing a reconciliation deal in October, ending a decade-long split, with Palestinian Authority President Mahmoud Abbas calling it a "final" accord. Under the agreement, the Judea & Samaria-based Palestinian Authority is to resume full control of the Hamas-controlled Gaza Strip by the end of the year.

So what is the difference, between Hamas and Fatah. They both are known Arab Terrorist Organizations. Whenever, they want something, they 'demand' it. When demanding doesn't get them what they want, they resort to terror. Fatah appears to be, easier to deal with, compared to Hamas, who continues its ongoing violence against the Jewish state, with kidnappings and terrorist tunnels, there is little difference. But, Fatah is still an Arab Terrorist Organization, just like Hamas is. They both share a deep hatred for America and Israel. Their unification is nothing, but a 'ploy' to gain another Arab Country in the Middle East. Piece by piece, they chisel away more of Israel's land. They will stop at nothing to have their heart's desire. That desire is to drive the Jewish People into the sea. Then, they intend to take all of Israel.

Under the agreement Hamas will not disarm their 100,000+ rockets they used to threaten Israel on a daily basis. The Islamist terror group instead of disarming they agreed to the terms of the emerging reconciliation deal, that it would not use its weaponry unless was approved by a joint panel.

Neither group recognizes Israel, as having any rights to the land, God, Himself gave them. Hamas and Fatah will never recognize Israel as a 'Jewish' Nation. They both call for her total destruction in their charters. To them, Israel's doesn't have a right to exist. They don't bother trying to hide that fact. They want all of Jerusalem for their Palestinian Arab Capitol. They still call for 'armed struggle' against Israel in their charters. In fact, they much prefer an 'armed struggle,' over having a "so-called" Palestinian Arab Nation, side by side with Israel. They are getting very greedy, and that greed will grant them certain destruction, when the time is right.

Israel must be careful, as the world continuously try to pushes her into what could be, a living nightmare. Without a doubt, Israel is in grave danger. Though, the world seeks to devour her, in the "Final Solution," once and for all, they should be warned not to do so, and God did in **Genesis 12:3** where He said **"And I will bless them that bless thee, and curse him that curseth thee..."** For God Himself will show His Power and His Might, and He will devour all of Israel's enemies! They will become, as dust in the wind...

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

'UN IS BECOMING A PRO-BDS, ANTI-ISRAEL LOBBY': Israel's Internal Security Minister, Gilad Erdan praised the Trump administration's announcement in October 2017 that the USA will be leaving UNESCO, following the organization's passage of multiple resolutions against the Jewish state. "The USA decision to leave UNESCO is just, and shows the depth of the USA-Israel friendship," Erdan tweeted. Erdan warned that UNESCO was not the only UN body serving as a de facto anti-Israel lobby, and called for the USA and Israel to put the international organization on notice that pro-BDS actions by the UN would lead both countries to withhold all funding of the UN. "Now is the time to officially announce that if the UN publishes a blacklist of companies that operate in Judea and Samaria, the USA and Israel will cut off all funding. The UN is turning itself into an anti-Israel delegitimization and BDS organization, and there is no reason American and Israeli taxpayers should foot the bill."

REPORT: HEZBOLLAH TERRORISTS ENTERED GERMANY AMONG REFUGEES: Hezbollah terrorists have entered Germany since mid-2015 as part of the wave of refugees from the Middle East, according to a German intelligence report. The report released this month shows increased membership for Hezbollah in the German state of North Rhine-Westphalia. North Rhine-Westphalia is home to the Imam-Mahdi Center in the city of Münster, which is a meeting place for Hezbollah members, according to the report. Additional cities where Hezbollah is active in North Rhine-Westphalia are Essen, Bottrop, Dortmund and Bad Oeynhausen, it continued. According to Germany's federal intelligence agency, there are 950 active Hezbollah operatives in the Federal Republic. USA Canada, Israel and the Netherlands classify Hezbollah as a terrorist organization. The intelligence document noted that Hezbollah's goal is the "destruction of the State of Israel as well as Islamic domination over Jerusalem."

BENNETT: PALESTINIANS HAVE CHOSEN A TERROR GOVERNMENT: Education Minister Naftali Bennett responded to the signing of the PA-Hamas conciliation agreement, stating that "the Palestinians have chosen today to establish a terror government. The person who signed the agreement was Saleh Arouri, who was behind the kidnapping and murder of the three Israeli youths in 2014. Mahmoud Abbas' joining up with Hamas turns the PA into a terror authority. The State of Israel must cut off all contact with this terror authority."
