CHESHVAN-KISLEV 5780

“Israel, Palestine and the Middle East”

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

“Israel, the Church and End-Time Prophecy”

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

“Messiah and the Passover Seder” (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

“Gentiles Commission to the Jews”

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”

Romans 15:27

Jesus (Yeshua) was not a Palestinian

A few months ago Rep. Ilhan Omar's (D-Minn.) sent out a retweet of a New York Times op-ed by Eric V. Copage, which claimed that “Jesus, born in Bethlehem, was most likely a Palestinian man with dark skin.” Which I saw a lot of people ask what's the big deal? Jesus can be whoever you want him to be. But if you look closer, it threatens the very basic of our Judeo-Christian beliefs, by claiming the Bible is not true.

Jesus was a Galilean Jew, not a Palestinian Muslim. He would have been recognized for his Jewish religious garb, including the fringes at the corners of his garments (***that was commanded in Numbers 15:37-41***). He celebrated Passover not Ramadan, and he was called “Rabbi” not “Imam.” His followers were named Yaakov and Yochanan and Yehudah, not Muhammad and Abdullah and Khalid. And he himself had one of the most common Jewish names of the day, Yeshua.

The Bible warns us in ***2 Cor.11:4 For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, ... and Gal. 1:8 But even if we, or an angel from heaven, preach any other gospel to you than what we have preached to you, let him be accursed.***

The word "Palestinian" today speaks of non-Israelites, non-Jews. It speaks of a People who claim that the land of Israel belongs to them, not to the Jewish people. And it speaks primarily of Muslims.

This has become the official PLO platform as evidenced by their frequent reference to Jesus as “the first Palestinian martyr” and whose annual Christmas statement reads, “Every Christmas, Palestine celebrates the birth of one of its own: Jesus” (A Palestinian).

Jesus is been portrayed as a Palestinian freedom fighter, born of a Palestinian mother (Mary), at war with the evil Jews, and (through Islamic eyes) a prophet of Islam. Instead of recognizing him as who he really is, Rabbi Yeshua, the Messiah of Israel.

It's one thing when Palestinian activists and Muslim propagandists recreate Jesus in their own image, calling him a Palestinian. But it takes it to hole new lever when a member of the House of Representatives does this same thing. Yet Rep. Ilhan Omar who retweeted a tweet that not only included the statement that “Jesus was a Palestinian.” It also highlighted the suffering of Palestinian Christians at the hand so evil Israel, trying to further separating Jesus from his Jewish ancestry.

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

TENS OF THOUSANDS OF JEWS GATHER AT WESTERN WALL FOR YOM KIPPUR PRAYERS:

Roughly 100,000 Jews gathered at the Western Wall in Jerusalem for special prayers ahead of the Yom Kippur holiday which began Tues. evening 8 Oct. 2019. According to the Western Wall Heritage Foundation, an estimated one-and-a-half million people visited the Western Wall Plaza during the month of Elul, which precedes the Rosh Hashanah and Yom Kippur holidays, and the ten days in between the Jewish New Year and Jewish Day of Atonement. "The great flood of people during the past month to the Western Wall Plaza during all hours of the day brought together people from all different groups and backgrounds – religious and non-religious, young and old. This testifies to the deep ties all different groups in Israel have to the Western Wall and to Jewish tradition," said the Western Wall Heritage Foundation. Israel shuts down every year on Yom Kippur, with public transportation, government services, businesses and media broadcasters ceasing operations.

LINDSEY GRAHAM: SYRIA WITHDRAWAL WILL BE A 'NIGHTMARE' FOR ISRAEL: Senator Lindsey Graham (R-SC) expressed strong opposition to USA President Donald Trump's sudden decision to pull back American troops from northern Syria, warning such a move would be a nightmare for Israel. "I don't believe it is a good idea to outsource the fight against ISIS to Russia, Iran, and Turkey. They don't have America's best interests at heart," said Graham. "The most probable outcome of this impulsive decision is to ensure Iran's domination of Syria. The USA now has no leverage and Syria will eventually become a nightmare for Israel," he added. "I feel very bad for the Americans and allies who have sacrificed to destroy the ISIS Caliphate because this decision virtually reassures the reemergence of ISIS. President Trump may be tired of fighting radical Islam. They are NOT tired of fighting us," continued Graham. "Finally," said Graham, "this decision makes it difficult for the USA to recruit allies against radical Islam. By abandoning the Kurds we have sent the most dangerous signal possible – America is an unreliable ally and it's just a matter of time before China, Russia, Iran, and North Korea act out in dangerous ways." In a series of tweets, defending his decision, the president said it was "time for us to get out of these ridiculous endless wars", adding that it would be up to other countries, including Turkey, Russia, Iraq, and Iran to "figure the situation out".

The biblical end-time alliance of nations that will come against Israel roughly includes: Magog (southern portion of the former Soviet Union; (Rosh - Russia; Meshech and Tubal), Turkey, Persia (Iran); and others. Present-day headlines suggest many of these players are coming together in ways that will lead to a proactive invasion force against Israel. Intercede for Israel's divine wisdom, preparation, and discernment in its dealings with Turkey, Russia, Syria, and Iran.
