"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

Yom Kippur (The Day of Atonement)

Yom Kippur is the Jewish Day of Atonement and is considered the holiest and most solemn day on the Jewish calendar. Every Yom Kippur gives us a chance to cleanse us of our mistakes and wrong doings. It is our chance to wipe the proverbial slate clean, individually wise, and collectively, as well. In order to do so, one must be truly sorry for the wrongs they have committed. They must then stop doing that which is wrong in the eyes of God. Certainly, God has made us aware of the things that displease Him. He cannot stand sin of any kind for He is a holy God.

Admitting our wrong doings and asking forgiveness from those we have harmed is a part of the process of Teshuva. We are to do our very best not to repeat such harmful actions in the future. So, there must be genuine regret for doing wrong. God, alone knows the heart. Therefore, He will know those who are truly repentant. The final step of Teshuva is our commitment to avoid the wrong things we have done in the future.

We are defined by the choices we make in life. In fact, each day is full of choices to make. Life, itself is loaded with choices. Yom Kippur is about recalculating those choices if needed. It is an opportunity to look at the decisions we have made in life.

It's time to honestly ask ourselves if we have made a wrong turn. Did we make a decision that caused us to go in a wrong direction? A direction we did not want to go in? Yom Kippur is a time to change any and all harmful directions we have made. It's time to set things right between us and our Creator. We are all very important to God. He cares about the choices we make. He wants us to succeed and not fail. The decisions we make can change our lives in so many ways. Anything that leads us astray from God is not a good decision.

It's time to set things right between us and our Creator. We are all very important to God. He cares about the choices we make. He wants us to succeed and not fail. The decisions we make can change our lives in so many ways. Anything that leads us astray from God is not a good decision.

On Yom Kippur, we are to restore our priorities to that which really counts in life. The prayers of Yom Kippur are designed by the Creator to bring us to a point where we mend our ways. On Rosh Hashanah, the Books of Life and Death are opened. On Yom Kippur, our fate is sealed by our actions. God, Himself decides who will have another year of life and who won't. This is why Yom Kippur is such a solemn time.

The LORD spoke to Moses, saying, "But on the tenth day of this month it is the Day of Atonement; there shall be a holy convocation for you, and you shall afflict yourselves; you shall offer a fire offering to The LORD. You shall not do any work on this very day, for it is the Day of Atonement to provide you atonement before The LORD your God.... You shall not do any work; it is an eternal decree throughout your generations in all your dwelling places. It is a day of complete rest for you and you shall afflict yourselves; on the ninth of the month in the evening --- from evening to evening --- shall you rest on your rest day." (Leviticus 23:26-32)

"May You Be Sealed for a Good Year (in the Book of Life)."

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

USA PREVENTS UNFAIR UN SECURITY COUNCIL STATEMENT ON ISRAEL:

The USA on Thursday blocked a UN Security Council statement on recent tensions between Israel and the Lebanon-based Hezbollah terrorist organization. The statement attempted to put Israel's right to self-defense on the same level as the violent anti-Israel aggression of Hezbollah. America rejected any criticism of Israel and forced the draft authored by France to be scrapped. The USA called for Hezbollah to be specifically condemned in the text saying it was impossible for it to back any statement putting Israel's right to self-defense on an equal footing with Hezbollah, a "terrorist organization." Several other members of the Security Council objected to the USA position, and the text was eventually abandoned. The Iranian-backed movement, Hezbollah, accused Israel of carrying out a drone strike on its Beirut stronghold in late August 2019. Israel has charged Hezbollah and Tehran with working together to produce precision-guided missiles on Lebanese soil.

PALESTINIAN CHILDREN START SCHOOL WITH NEW CURRICULUM 'MORE RADICAL THAN BEFORE':

Israel's students returned to school on 1 Sep 2019. In the Palestinian sector this year's PA (Palestinian Authority) school curriculum, - according to IMPACT an institute that analyzes how textbooks measure up to UNESCO standards for peace, and tolerance - is more radical than any that came before. "It is suffused with ideas of martyrdom and Jihad," said IMPACT'S CEO Marcus Sheff. "There was a strategic decision by the Palestinian Authority to radicalize 1.3 million school children. This curriculum was not created by accident", continued Sheff. "The curriculum encourages children to martyr themselves, and even to count martyrs in math problems like most children would count apples." Mere days ago the UN Committee on the Elimination of Racial Discrimination (CERD) in a report on the Palestinians, said it was concerned about "hate speech in media outlets, social media, and in school curricula and textbooks, which fuels hatred and may incite violence against Israelis." The report marked the first time the UN panel had criticized Palestinian officials. The question remains, however, of who or what is going to do anything about the PA's violence-inciting curriculum? Those who produce, market, distribute and teach such hate-filled materials to Palestinian students are obviously zealous to keep turning children into murderers and victims of suicide.

NEW YORK CITY INCREASINGLY UNSAFE FOR JEWS: Anti-Semitic hate crimes in NYC are up 63% from 1 Sept. 2018 to 1 Sept. 2019. This year so far, 152 violent incidents related to anti-Semitism have been reported compared to 93 over the same period last year. NYPD officials said last week that more than half of hate crimes reported this year in New York City have been anti-Semitic in nature. NYC Chief of Detectives Dermot Shea said there was no definitive cause for the jump in reports of hate crimes related to anti-Semitism.
