What Can Stop God's Awesome Blessings?

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors.

For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

There are many people trying to explain the abundance of prosperity in certain parts of the world at this time. In America, most people believe President Donald Trump and his agenda is causing untold blessings upon America. While this certainly plays an important role, the greatest and highest reason for these blessings comes from God. By blessing Israel, and taking a very decisive role regarding her safety, America has placed herself under God Almighty's blessings. One can only pray we remain in our position to always stand with Israel.

Righteous leaders make the right decisions when it comes to Israel. In turn, they are blessed for doing so. Just as well, evil leaders could care less about Israel. They fail to see Israel's importance to God. Thus, usually taking a stand for Israel's enemies. This brings about curses on such nations. This happened all throughout history. As we can see, it is still happening in our very day. Simply put, Israel is blessed by God and those who stand with her share in those blessings.

No matter what takes place in the world, we need to always focus on God and His goodness, and how He is never far from us. May His blessings be showered upon other nations who stand with and love Israel. As to Israel, it is written, **"The Lord appeared to us in the past, saying: "I have loved you with an everlasting love; I have drawn you with unfailing kindness. I will build you up again, and you, Virgin Israel, will be rebuilt. Again, you will plant vineyards on the hills of Samaria; the farmers will plant them and enjoy their fruit. There will be a day when watchmen cry out on the hills of Ephraim, 'Come, let us go up to Zion, to the Lord our God.'" Jeremiah 31:3-6**

As always, God has kept His Word. He always will do so. He does not make promises, He can not keep. The best thing any nation can do is make a sincere stand with Israel. In doing so, one must never seek to divide Israel in any way. This action will bring about much harm on the nations who do so. They will be utterly destroyed. For this reason, we can pray that any peace treaty that seeks to give part of Israel (or Jerusalem) to the Palestinians (Arabs) for their own capitol will not be successful. That is bringing about the division of Israel's land. Such a move is guaranteed to bring about God's unbridled anger and judgment upon such nations. So, let's keep our relationship with Israel on good, stable grounds. Even, if some of the Israeli leaders should agree to their land, being divided, the United States must not be a part of such a plan!

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

LIKUD MINISTER: TRUMP PEELS PALESTINIAN LIE LIKE AN ONION: Israel's

Intelligence Minister Yisrael Katz welcomed USA President Donald Trump's decision to close Palestine Liberation Organization (PLO) offices in Washington DC last week. "This resolve joins the decision to recognize Jerusalem as the capital of Israel and the decision to stop funding UNRWA, which is an organization that perpetuates the refugees' pretend right of return," Katz said. "All these steps reach the roots of the conflict and tell Palestinian Authority Chairman Mahmoud Abbas that he cannot continue his double-talk. Trump is peeling the Palestinian lie like an onion - layer by layer. Their educational system as well teaches their children that 'big Palestine' is from the Jordan River to the sea. Trump comes and says: 'If you want to sit and negotiate, do it from a realistic place - Jerusalem is the capital of Israel, and there is no right of return.' Abbas' response shows exactly what he thinks of these issues." Regarding whether he believes Trump's recent decisions will lead to another round of Arab violence, Katz said, "The security coordination between Israel and the Palestinian security forces happens first of all because it's worth it for Abbas. He's not doing it because he loves Zion, but because he understands that if Shabak (Israel's Security Agency) isn't the one dealing with it and leading the activities against Hamas in Judea & Samaria, he'll be the first to go, and it'll happen within a few hours.

SINCE 2016: HAMAS USING 17,000 CHILDREN TO FIGHT ISRAEL: The Jerusalem Institute of Justice (JIJ) completed a request to the International Criminal Court (ICC) in Hague, asking to sue Hamas leader Ismail Haniyeh. In the request, JIJ cites testimonies showing that Haniyeh committed two main war crimes: Firstly, he used children under the age of 15 for military purposes, using them both as child soldiers and to carry out terror attacks. Secondly, Haniyeh consistently used children as human shields and as military targets. The total number of children misused by Hamas since 2016 currently stands at 17,000. Haniyeh is also charged with wide scale and consistent use of torture and illegal killing, carried out by Hamas' internal security forces in Gaza. JIJ Attorney Uri Morad, who submitted the request, said the testimonies collected have received praise from representatives of the ICC's department of information and research. "The entire process was very efficient and organized, and we felt like we had the trust of those receiving the request," he said. "I believe that this suit, which the Jerusalem Institute for Justice has submitted, will be dealt with fairly and without bias."

CZECH LEADERS ENDORSE ISRAELI EMBASSY MOVE TO JERUSALEM: Czech leaders last week endorsed moving the country's embassy in Israel from Tel Aviv to Jerusalem, following a similar move by the USA administration earlier this year. In a joint statement, the Czech president, prime minister, parliament speaker and the foreign and defense ministers said the opening of a "Czech House" there in Nov. 2018 would be "the first step in the plan to move the Czech embassy to Jerusalem." Jiri Ovcacek, spokesman for the pro-Israeli President Milos Zeman, said that the Czech House would shelter government institutions including the foreign ministry's Czech Center, the trade agency CzechTrade, and tourism agency CzechTourism. "The Czech House in Jerusalem will be ceremonially opened by our President during his visit to Israel in November, 2018" he said. Zeman, 73, promoted the embassy move even before USA President Trump moved the US embassy to Jerusalem on 14 May 2018. The Czech Embassy has been in Tel Aviv since 1949.
