## Sukkot - The Feast of Tabernacles

### **"Israel, Palestine and the Middle East"**

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

### **"Israel, the Church and End-Time Prophecy"**

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

### **"Messiah and the Passover Seder" (Presentation)**

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

### **"Gentiles Commission to the Jews"**

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

**"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."**

*Romans 15:27*

The Feast of Succoth is the most joyful and flamboyant of all the seven feasts mentioned in *Leviticus Chapter 23*. It is celebrated on the fifteenth through the 22nd days of the seventh month (Tishri). It is also called the "Feast of Booths," the "Feast of Tabernacles," and the "Feast of Ingathering." During this time the Israelites were (and still are) commanded by God to dwell in temporary dwellings (*Leviticus 23:43*). These are referred to as Sukkah. They are make shift shelters or huts. By living in these temporary dwellings, the Jewish People are reminded of how vulnerable they really were, and how totally dependent they were on God, when they were in the wilderness. God, Himself watched over them and provided all they needed during the forty years they wandered in the desert. He wants them to always remember what He did for them.

The time previous to Succoth was always a very solemn time. There was Rosh Hashanah which was the beginning of a new year. Then, there were ten Days of Awe. This is the time when the people turned their eyes inward to judge themselves. Next, there was Yom Kippur (Day of Atonement). This is when people repented, as individuals, and as a nation. They asked for God's compassion, and this is the time when the High Priest would make the blood atonement, for the sins of the people.

Keeping the Feast of Succoth was and still is a perpetual commandment, meaning it is always to be remembered, and celebrated. The Feast of Succoth was so important that it was included as one of the three feasts that required a pilgrimage to Jerusalem each year. The other two feasts were Passover and Shavuot. *Zechariah 14:16* states, that in the Messianic Kingdom, **...that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of Hosts, and to keep the Feast of Tabernacles** (Succoth). *Verse 17* tells us that rain will be withheld from any nation that fails to keep this feast.

Yeshua journeyed to Jerusalem for Succoth in the final year of his earthly life. **In the last day, that great day of the feast, Yeshua stood up and cried, "If anyone is thirsty, let him come to me and drink. He that believeth in me, as the Scripture hath said, out of his belly shall flow rivers of living water."** (*John 7:37, 38*)

The purpose of the first coming of the Messiah was for Yeshua to become the sacrifice, the spotless lamb, that would take away the sin of the world. While there is still physical death on earth, Yeshua's sacrifice can gain us eternal life with him and God. Yeshua warded off the angel of death so that we can live forever. The fulfillment of Succoth is yet to take place.

Now that God has accepted our atonement, and we have been redeemed from our sins, our names have been written in the Book of Life. Thus, Succoth becomes the "Season of our Rejoicing." **And I heard a great voice out of heaven saying, Behold the tabernacle of GOD is with men, and He will dwell with them, and they shall be His people, and GOD Himself shall be with them, and be their GOD.**" (*Revelation 21:3*)

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates**

**MORE THAN 70 TERROR CELLS BUSTED IN LAST 2 MONTHS, NETANYAHU SAYS:**

PM Netanyahu revealed that dozens of terror plots were stopped in the past two months by the Shin Bet domestic security service. "In July and August, the Shin Bet thwarted over 70 terrorist cells that were planning attacks against Israeli soldiers and civilians," Netanyahu said. "Israeli civilians don't know everything that the Shin Bet does." He did not elaborate on the nature of the attacks. Last week the agency said in its monthly report that it had recorded 110 terror attacks in Aug. 2017 compared to 222 the previous month, when tensions around the Temple Mount compound in Jerusalem generated a major spike in incidents. The decrease brought the number of attacks back to a level similar to before the July conflagration, which resulted in the highest number of incidents in any month since Dec. 2015. From Jan. 2016 onward, Israel saw an average of 121 attacks against its citizens per month.

**IRAN BOASTS THAT IT TRICKED THE WORLD, CAN NOW START MAKING NUKES:** Israel warned former USA President Barack Obama that Iran wouldn't honor the nuclear arms deal he brokered with the Islamic Republic. The ayatollahs and their elected puppets went through the motions, but never truly fulfilled the stipulations of the agreement. The West, fearful of escalating tensions, turned a blind eye to numerous violations. But that only kicked the can down the road, as the Americans say. Now, top Iranian officials are openly boasting of successfully playing the West, while retaining the ability to restart their nuclear arms program at a moment's notice. In an interview on Iran's IRINN TV, the head of the Atomic Energy Organization of Iran, Ali Akbar Salehi, revealed that his people had poured cement into a few external pipes at the Arak nuclear reactor in order to fool international inspectors, but had not disabled its core. "If we want to, we can start enriching uranium to 20% within five days, and that is very significant," said Salehi. The question is whether or not Western powers see it as such.

**TAYLOR FORCE ACT TO BE ENFORCED STARTING IN 2018:** The Taylor Force Act was attached to the 2018 Foreign Operations budget in the Senate. The Taylor Force Act would cut USA funding to the Palestinian Authority (PA) until it ends its policy which distributes \$300 million to terrorists and their families annually. The bill is named after Taylor Force, a former United States Army officer who was murdered in a stabbing attack in 2016, while walking along the Jaffa boardwalk. A recent report found that more than half of the PA's yearly budget goes to terrorists, with more than \$1 billion having been dedicated for such purposes in the last four years alone. Despite pressure to end the policy of paying the families of terrorists who murdered Jews, PA chairman Mahmoud Abbas told the United States last month that he has no intention of doing so. "I do not intend to cease paying salaries to the families of prisoners and martyrs, even if it means I lose my position. I will continue paying their salaries until my dying day," he said.
