OCTOBER 2024

ELUL 5784 - TISHREI 5785

"Israel, Palestine and the Middle East"

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

"Israel, the Church and End-Time Prophecy"

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

"Messiah and the Passover Seder" (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

"Gentiles Commission to the Jews"

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."

Romans 15:27

The Reason for the Season!

If you have a Jewish calendar you see that October is full of God's appointed times, from Rosh HaShanah, Yom Kippur, Sukkot and Simchat Torah. Yes it is a very busy time for the Jewish People. With all the Services and all the messages that will, from the binding of Isaac to the giving of the Torah. The one thing we need to remember though it all is ***Genesis 22:8 And Abraham said, "My son, God will provide for Himself the lamb for a burnt offering."***

Who is Jesus? Is he the "Messiah", the "Savior", the "Son of God" or a "Palestinian prophet"? Or can he be whoever we want him to be? Not if you believe what the Bible says. It tells us exactly who Yeshua was from the time he was conceived until the time he ascended and took his rightful place at the right hand of the Father.

With all the different types of theology like replacement theology and liberation theology, and then you have the Pope saying that all religions are a path to God.

What is this replacement theology exactly teaching? It portrayed Jesus as a "Palestinian prophet", "Palestinian freedom fighter", "born of a Palestinian mother (Mary)", and reference to Jesus as "the first Palestinian martyr", and liberation theology: A new form of Christianity redefining Jesus as a Palestinian Social Justice Warrior being thought, all to separate Yeshua from his Jewish ancestry. The Bible warns us in ***2 Cor.11:4 (For if he who comes preaches another Jesus whom we have not preached...)***

So what do we know about Yeshua? He celebrated all the Jewish holy days every year and he was called Rabbi. He would have been recognized for his Jewish religious garb, including the fringes at the corners of his garments, that was commanded in ***Numbers 15:37-41***.

Yeshua had been precocious, to be sure, debating at the age of twelve (possibly shortly after his bar mitzvah) with Israel's greatest rabbis during his family's pilgrimage festival observance. But, for the most part, his life was that of an ordinary Jew. He "grew in wisdom and stature and in favor with God and men." He was taught in home, synagogue, and temple in Judaism's great truths. When he reached the age of thirty, he set out on an itinerant teaching ministry, announcing the breaking forth of the kingdom of God.

Throughout his lifetime, Yeshua was a Torah-observant Jew. He lived as a Jew, he worshipped as a Jew, and he dressed and groomed himself as a Jew. The very garment Yeshua wore confirmed his Jewishness to all those who saw him. Immediately, those around Yeshua recognized him to be a rabbi. He was unique as a teacher, however, for his hearers attested to the fact that he spoke with an authority that the other rabbis of his time did not manifest. He was a lover of the land of Israel and of the 'Am HaAretz ("people of the land"), or the common folk. His teaching championed honesty, integrity, and human dignity. He was known as the Jew's Jew.

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

Report: Russia Sharing Nuclear Secrets with Iran; The US and UK are concerned that Russia is sharing nuclear secrets with Iran, as well as classified information which may aid Iran in achieving its nuclear goals, American and British media recently reported. According to the report, the information is provided in exchange for Tehran's provision of ballistic missiles to Moscow, to be used in Russia's war against Ukraine. On Friday, UK Prime Minister Keir Starmer met US President Joe Biden in Washington, D.C. Following the two leaders' personal meeting, they held an expanded meeting attended by both countries' foreign policy teams. At the meetings, the sides discussed the Russia-Ukraine war, the Iranian threat, China, and the war between Israel and the Hamas terror group in Gaza. Last week, France, Germany and the UK (E3) gave a joint statement to the International Atomic Energy Agency (IAEA) Board of Governors on Iran's implementation of its nuclear commitments under the JCPoA. In the statement, published on the UK government's website, E3 noted that, "In the reporting period, Iran has continued to enrich uranium far beyond its JCPoA commitments." It noted that Iran "has been blatantly violating all JCPoA limits on both enrichment and accumulation of enriched uranium. Its stockpile of high enriched uranium up to 60% has continued to grow significantly, without any credible civilian justification."

Osama Bin Laden's Son Dubbed 'Crown Prince of Terror' Rises through the Ranks to 'Become al-Qaeda Boss'; Osama bin Laden's son is reportedly running terror cult Al Qaeda despite claims he was killed in 2019, intelligence reports have revealed. Hamza bin Laden, dubbed the Crown Prince of Terror, is leading the group responsible for the devastating 9/11 attacks masterminded by his father. Intelligence reports have revealed that his brother Abdullah is also active inside Al Qaeda and that the group is gearing up to unleash fresh attacks on the West. Al Qaeda is reportedly collaborating with ISIS and the Taliban across Afghanistan where over a dozen different terror groups are flocking to train. A report shared by the National Mobilization Front (NMF), an anti-Taliban military alliance, revealed that he is hiding in northern Afghanistan under the constant protection of 450 snipers. It warned that since the 2021 fall of Kabul - when US forces withdrew and the Taliban took over completely - the country has become a "training center for various terrorist groups." The report also warned that "under his command, al-Qaeda is regrouping and preparing for future attacks on Western targets." "Hamza is driven by a powerful determination to continue the legacy of his father, which adds a symbolic and strategic weight to his actions," it added.
