“Israel, Palestine and the Middle East”

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

“Israel, the Church and End-Time Prophecy”

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

“Messiah and the Passover Seder” (Presentation)

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

“Gentiles Commission to the Jews”

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

“It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things.”

Romans 15:27

Is Iran about to declare War on Israel?

Iranian diplomat says Iran is working to establish a military front against Israel along with Iraq, Syria, Lebanon and the Gaza Strip. Al-Moussawi said the talks with Hamas were successful, and that Hamas conveyed a message to the Iran's leader from Hamas leader Ismail Haniyeh about his organization's preparedness for a war front on the southern Gaza Strip if any confrontation between Iran and Israel. If this is aloud to happens Iran would have Israel almost surrounded with Hezbollah terrorist groups in Syria and Lebanon, Iran's military in Iraq, and Hamas terrorist groups in the West Bank and Gaza.

We see Iran is willing to back Hamas with up to 30 million dollars a month. Hamas and Iran stands on the same path of battling the Zionist entity, and believes they should be uprooted from the region, and a representative of the Palestinian people and in the name of the “world's freedom seekers” said “we will never recognize Israel, and the resistance will continue until all Palestinian land, including al-Quds (Jerusalem) has been liberated and all refugees have returned.”

Iran and most of Islam has no intentions of ever recognizing Israel. Already, they are calling Jerusalem, "al-Quds." What a slap in Israel's face! No longer are they keeping their intentions secretive. Now, they are right out with it. Who can blame them for taking giant steps when no one was looking? So, now, they want all of Israel, and will settle for nothing less. Too bad, God will not allow His Chosen People to be destroyed by the evil that surrounds them.

The day will come when Israel's enemies will be no more. It would be good for them to realize God has given Israel to the Jewish People as an everlasting inheritance (***Genesis 13:14-17***). We must stand up and support Israel's right to her God given land. It is a Divine right given by God, Himself. We cannot say on one hand that we believe there is a God who has revealed His perfect will in His Holy Scriptures, and on the other hand, deny Israel its right to the land God promised to her.

Everyone need to remember this, Israel belongs to God! When they come against Israel, they will be coming against Him. God said ***“...I will seek to destroy all the nations that come against Jerusalem.”*** Therefore, nations you have been warned, according to ***Zechariah 12:9!*** It would be best for you to leave Israel alone....

The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).

Israeli Updates

SBARRO TERRORISTS HAVE RECEIVED \$910,823 IN PAY-FOR-SLAY FUNDS IN 18 YEARS:

Eighteen years ago, on 9 Aug. 2001, female terrorist Ahlam Tamimi smuggled a bomb in a guitar case into Jerusalem and led a suicide bomber to the crowded Sbarro pizza shop in Jerusalem's city center. Suicide terrorist Izz Al-Din Al-Masri ate a slice of pizza and then blew himself up, murdering 15 people, seven of them children, and wounding close to 130 others. Since that fateful day, in which two Americans – Malki Roth and Shoshana Yehudit Greenbaum – were among the murdered, the Palestinian Authority has paid the seven terrorists who helped orchestrate with the attack as well as Al-Masri's family \$910,823, according to a report released by Palestinian Media Watch. These payments include monthly salaries paid to the terrorists in prison; payments to the family of the dead terrorist; and payments to the terrorists, like Tamimi. Today, the PA pays \$7,321 (NIS 25,800) per month to the Sbarro terrorists and their families.

1729 JEWS VISIT THE TEMPLE MOUNT DURING TISHA B'AV (9th of AV): A total of 1,729 Jews visited the Temple Mount on Sunday 11 Aug. 2019 during the traditional Tisha B'Av fast, which marks the destruction of the temples in Jerusalem. The number of Jews visiting the Jerusalem holy site on the fast day rose 20% compared to last year when 1,440 Jews ascended the Mount. Public Security Minister Gilad Erdan said, "I will continue to work to strengthen Israeli sovereignty on the Temple Mount, just as I did over the past four years, during which the number of Jewish visitors to the Mount increased by a factor of three-and-a-half." Erdan praised the police department for working to ensure that "every Jew and every visitor can ascend the Temple Mount, special security situations and concerns for their safety notwithstanding. The Temple Mount, which has been under Israeli sovereignty since June 1967, is administered by the Jordanian Waqf, or Islamic trust. Jews and other non-Muslims are permitted to visit the Mount but are strictly prohibited from praying or carrying any non-Muslim religious items.

RUSSIA AND IRAN TO HOLD JOINT NAVAL EXERCISES IN GULF: Russia and Iran have pledged to hold joint naval war games around the Strait of Hormuz for the first time by the end of the year, even as Britain and the USA step up their military presence in Gulf waters with a new joint task force to protect commercial shipping. Brig.-Gen. Amir Hatami, the Iranian defense minister, said the exercise would be "another significant achievement of power and dignity for Iran, despite the viciousness and conspiracies of the Great Satan, America, and its mercenaries." The war games will give Russia an opening to project its power in a new Middle Eastern arena. The announcement marks a milestone in improving relations between Tehran and Moscow.
