

# The Yachad Report

DECEMBER 2024

CHESHVAN-KISLEV 5785

## ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

## ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

## ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

## ***"Gentiles Commission to the Jews"***

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

***"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."***

***Romans 15:27***

## ***Thank You and God Bless You***

As 2024 draws to an end, the Yachad family wants to take this time to wish you and yours Loved Ones a most happy, healthy and prosperous New Year! With the coming New Year we all have new hopes and new dreams for the coming year.

We want to say, "Thank you for standing with us in 2024!" We simply could not have done it without you, our faithful friends. We cherish all your prayers and support. Because of you we have been able to minister the "Word of God". We have been able to share God's Plan for the Jewish People in these end of days. We are excited to see what all God has planned for Yachad Ministries in 2025.

With God's blessing and the thoughts and prays of our loving and dedicated supporters that we owe so much for getting Yachad Ministries through the years, even in the hard times you stood with us.

Our focus at Yachad Ministry has not changed. We will continue to preach about the restoration of Israel and the Church. We will still continue to bring the "Good News" to the Jew, first, then to the Gentile, just as Yeshua the Messiah commanded. We will continue to bring the salvation message to all people, everywhere. It is our heart for the Church to see and understand all that is going on in the Middle East and what that means for each and everyone of us. God is right on time with His prophetic truth of His plan for Israel. All this is culminating in the time in which we live, the end of days. What an exciting time to be living in!

As we step up the efforts to bring these very important messages to as many believing Churches as possible. If you are interested in hearing these wonderful end-time messages, please contact Yachad Ministries and we will be happy to speak on these topics in your Church.

Yachad Ministries ask that you prayerfully consider an "end-of-year" donation to close out 2024, and meet 2025 with renewed excitement to bring the message of Israel to Churches! Will you consider sharing a ***Holiday Blessing*** to help us win more precious souls for the Kingdom? We thank you in advance for your financial "gift of love" that will help us do the work of the Lord.

Our prayer is that you and your loved ones will have a wonderful Hanukkah and a very Merry Christmas. May God continue blessing you as you bless others. (Luke 6:38)

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates** *86 Years After Kristallnacht: 96% of European Jews Experience Anti-Semitism;*

Since October 7, more than 96% of Jews in Europe report that they encounter antisemitism in their daily lives, according to a new report launched on the first anniversary of the war by the Diaspora Affairs Ministry's National Task Force for Countering De-legitimization and Fighting Anti-Semitism. The European Union Agency for Fundamental Rights (EU FRA) reported earlier this year that there was a 400% increase in anti-Semitism in Europe following the outbreak of the war between Israel and Hamas. The peaks in online antisemitism surrounded various events in the war in Gaza, including the explosion at the Al-Ahli Arab Hospital which was blamed on Israel before it was proved to have been caused by an errant Islamic Jihad rocket, the rescue of four Israeli hostages in February, and the Iranian attack on Israel. To this day, the level of hostility observed is significantly higher than before October 7, and even over a year later, it has not decreased. The most alarming developments were observed in Great Britain, France, and Germany - countries with relatively large Jewish communities. The report stated that this trend highlights the increased risks these communities face, both online and physically in their daily lives.

**IDF Found Hezbollah Training Site Near UN Base and Terror Tunnel Under Cemetery in Southern Lebanon;**

The IDF reported on Friday, November 8, that during ground operations in southern Lebanon against Hezbollah infrastructure, 9th Brigade reserve forces uncovered a Hezbollah training base, situated approximately 200 meters (650 feet) from a UNIFIL base. According to the military, the site was used to train operatives and store weapons. Among the items found were rocket launch sites aimed at Israeli towns, combat training manuals, and operational maps of Israel. Further, last week, troops of the 36th Division, in cooperation with special units and the Intelligence Directorate, dismantled a Hezbollah underground terror compound, hidden under a cemetery, also in southern Lebanon. Within the compound, the troops located command rooms, living quarters, and weapon storage facilities filled with arms and combat equipment - ready to be used to infiltrate Israel. The compound extended approximately one kilometer in length, reached approximately two meters in height, was located approximately one and a half kilometers from the border, and did not extend into Israeli territory. Meanwhile, Hezbollah attacks continued to target northern and central Israel on Friday, triggering rocket and drone alerts across multiple regions, including the Galilee, Sharon, and Haifa Bay areas, as well as parts of the central Dan region. According to the IDF, five rockets were launched from Lebanon, most of which were intercepted. However, one rocket hit a house in Kfar Yassif in Western Galilee, causing property damage.
