## ***"Israel, Palestine and the Middle East"***

You must hear these end-time prophecies and current events, concerning the Palestinian issue and the Land of Israel.

## ***"Israel, the Church and End-Time Prophecy"***

Gain insight into God's plan for Israel and the Church, while learning about your Jewish roots and heritage. This is a significant prophetic teaching on God's plan for Israel, how it is being fulfilled today, and the implications for believers.

## ***"Messiah and the Passover Seder" (Presentation)***

This teaching demonstrates a beautiful picture of how the pieces of God's salvation plan fit together, and how the elements used in the Passover Seder point toward the Messiah. The presentation culminates in an explanation of how the Lord's Supper was a Passover celebration.

## ***"Gentiles Commission to the Jews"***

Yachad Ministries has a crucial end-time Message to share with both Jews and Gentiles... and the enemy wants to destroy it!

\*\*\*\*\*

***"It pleased them indeed, and they are their debtors. For if the Gentiles have been partakers of their (the Jewish peoples) spiritual things, their duty is also to minister to them in material things."***

***Romans 15:27***

## ***Pray for the peace of Jerusalem***

Israeli Prime Minister Benjamin Netanyahu recently said, "there are those who threaten to annihilate us -- they haven't succeeded in the past, they won't ever succeed". Israel is a thriving nation. It is God, Himself who sees to it that Israel survives, despite all her many enemies that surround her on every side. He made a covenant with them on Mount Sinai. The Jewish People play an important role in God's Plan. Many would say God is finished with Israel. This idea comes from a false teaching known as, "Replacement Theology". This lie has been around for a long time and has grasped many into its poisonous tentacles.

God has not forgotten Israel and never will. Israel can be assured that God is protecting them in a supernatural way. Rabbi Sha'ul (Apostle Paul) says this in ***Romans 11:1 "I say then, Has God cast away His people? God forbid. For I also am an Israelite of the seed of Abraham, of the tribe of Benjamin."*** In ***Acts 23:6***, Rabbi Sha'ul (Apostle Paul) told the people that ***"I am a Pharisee, the son of a Pharisee..."***

The fact that Israel is no longer a barren wasteland shows that God is not finished with her. God is blessing her, just as He promised He would. This is what He said to the children of Israel, ***"Behold, I set before you this day a blessing and a curse. A blessing if you obey the commandments of the Lord your God which I command you this day, and a curse if you will not obey the commandments of the Lord your God, but turn aside out of the way which I command you this day, to go after other gods which you have not known."*** (Deut. 11:26-28)

It is good to know God never breaks His promises. It is amazing how He watches over Israel, like a mother hen watches over her chicks. Nothing happens in Israel that God does not allow. Miracles still happen in Israel. They know God is with them in a miraculous way. They pray to God before they go into battle.

If Israel must do so, she will fight for her God-given nation. She prefers to live in peace with others. She is not a hostile people who desires war. She always extends her hands out for the hope of peace. However, she is ever mindful that there are those who are intent on annihilating her. Please, remember to ***"Pray for the peace of Jerusalem: they shall prosper that love thee."*** This is a promise from God.... ***Psalm 122:6***

We need to be concerned and love Israel as God does. The way to begin to change things is to support Israel, in anyway we can. Remember, God said, ***"those who bless Israel, He will bless. Those who curse her, He will curse"***. (Genesis 12:3)

***We want to thank each of you who pray for, and support Yachad Ministries financially. Without you, and the grace of God, Yachad Ministries could not carry on. If you have not yet (personally) helped us in this vital work, we ask you to let us know you stand with the vision and the work of Yachad Ministries by sending a love offering today to help further the work of the Lord.***

***We need your prayers and financial support today! Rabbi Robert I. Solomon***

**The Terrorists Organizations, Hamas and Fatah have still not removed their call for the genocide of the Jewish People. Their ideological commitment is to destroy the State of Israel through a long-term 'so-called' holy war (Jihad).**

**Israeli Updates** *Over 7,000 Israeli Military Personnel Wounded in Fighting Since October*

7; Since October 7th, 7,209 newly wounded military personnel have entered the Defense Ministry's rehabilitation system, according to official numbers showing high numbers of mental health issues. Ninety-five percent of them are men under the age of 30 serving in the IDF reserves. Thirty percent of the newly wounded, 2,111 individuals, developed mental health issues of various kinds. For 60%, the psychological wounds were their primary injury. The Defense Ministry estimates that by the end of 2024, there will be 20,000 newly wounded military members from this war. Some 8,000, or 40%, will face psychiatric challenges, including anxiety, depression, PTSD, adjustment and communication difficulties, and psychotic conditions. The weeks between Passover and Israeli Memorial Day are generally difficult for military veterans, especially those with mental wounds. The Defense Ministry's regular support and treatment programs are being expanded for wounded soldiers and their families during this period. The ministry also requests that family members and friends be especially aware of wounded soldiers' emotional health at this time and seek help if they notice signs of changed behavior or additional distress.

**Qatar Funds More Terrorism than Iran, Former Mossad Official Says;** Qatar has played a dual role since the start of the war in Gaza. On one hand, it is a well-known supporter and funder of Hamas, while on the other hand, it is mediating the Israeli hostage release deal. So, what is Qatar's true face? "Qatar is at the top of funding terrorism worldwide, even more than Iran," Dr. Udi Levi, former head of a Mossad unit dealing with economic warfare against terrorist organizations and countries that sponsor terrorism, told Israeli media on Thursday, April 18. "While Iran does it openly and declares it, Qatar does so in a way I call in English 'killing me softly,' by softly killing us. On one hand, it sides with the West, and on the other hand, it funds terrorism." "Qatar, as of today, isn't defined as a terrorist state; therefore, it has immunity," according to Levi. However, he explains: "Qatar transferred funds through various channels, primarily via their largest foundation, Charai, which is one of the largest funding sources for terrorist organizations in the world." "So, while you can't sue a country directly, this foundation is fully controlled by the Qatari royal family and also uses Qatari banks owned by the royal family, like Qatar National Bank, which is also one of Qatar's main channels for funding terrorism worldwide, and these are the bodies that are exposed to indictments." He continues that "there are lawsuits that have been going on for several years. By the way, not all are Israeli victims. Perhaps the most interesting one is by Syrian terror victims who accuse Qatari institutions of being the ones who funded Al-Qaeda and its proxy, the Islamic State in Syria."
